OUR BOYS.

AT the recent Annual Meeting a change was made in our "Boy's Committee." Mr. Findlay, the chairman, has been transferred to the chairmanship of the Reception Committee, and Mr. J. W. Walker takes charge of the Boys' Work.

The Committee as now constructed is certainly one from which we expect much. They are all experienced in the work, as carried on among us,—in fact

four of the six members may be said to be "graduates" of the "Boy's School." We have reason to hope for a blessing upon the work during the coming season. We are arranging for a course of lectures of more than ordinary interest, and in our next issue will publish the list.

The committee now consists of J. W. Walker, *Chairman*; Messrs. C. Edwards, J. J. Findlay, H. Lugsden, J. Johnston, and J. Brown.

"KOBWEBS."

Mr. C. Edwards was greeted by a large audience of young folks on the evening of Friday, 28th September, when he delivered his lecture, "Kobwebs from New York." The attendance was so large that we were compelled to give up our parlor to the committee in charge. The lecture was exceedingly interesting, and so skilfully did the speaker weave his web of anecdotes, incident and practical teaching, that we believe the boys would be delighted if he would consent to make ready another web.
