Are your hens winter layers?

The time to prepare for winter eggs is during October, November and December. Have your hens get over the moulting season early and enter the winter months healthy and vigorous. This you can do by feeding Royal Purple Poultry Specific, put up in four sizes, viz.: 25c., 50c., \$1.50 and \$5.00.

Use Royal Purple Roup Cure in the drinking water to prevent and cure diseases—25c tins only.

Royal Purple Lice Killer—the hen's best friend and the worst enemy of lice. It smother them and will permit the hen to sit comfortably on the nest to lay her eggs. It is made from the flowers of an Oriental plant which we grind to the very finest powder. Guaranteed. 25c. and 50c. a tin.

Thoroughly disinfect your hen houses with Royal Purple Disinfectant—put up in three sizes, 25c., 60c and \$1.00. For sale by our dealer in your town.

Free—We will send absolutely free one of our 80-page illustrated booklets on the common diseases of stock and poultry. It tells how to prevent and cure diseases; describes fully our Royal Purple, Calf Meal on which you can raise calves without using milk if necessary. This book is given free, no postage required. Write for your copy to-day. Dept. B
