## SUPPOSING

you were offered the deed of a valuable piece of realty, the only stipulation being that you paid the interest in advance each year for twenty years, when the property would be yours absolutely or in the event of death a clear title would be given your estate,—wouldn't you grasp the offer as a matter of good business? This is in substance what our guaranteed Twenty-Year Endowment is. It means a competence if you live or an estate if you die. Let us tell you more about this Plan. Women accepted at regular rates.
