Let Me Sell You a Chatham Incubator — On Time

Do you know there is big money in raising poultry? Do you know there is more money in running a good incubator than in almost anything else you can do for the amount of time and trouble it takes? Do you know my incubator will pay you a bigger profit than any other thing you can have on your place?
 Well, all these things are true, and I can prove it. Thousands of people all over Canada have proved it every year for the last five years.
 I want to quote you a price on my Chatham Incubator, —sold ON TIME. I want to send you my Chatham book. This incubator book is free— I'll send it to you for just a postal card. It tells you a lot you ought to know about the Poultry business—it tells you how to make money out of chickens—it tells you how my Chatham Incubator will make you more money than you can make with hens—far more, and with less trouble.
 This book tells you how my Incubators are made—why they are the best ever invented—and why I sell them ON TIME and on a 5-Year Guarantee.

My Company has been in business in Canada for over 50 years. We are one of the largest wood-working factories in the country. We also operate a large factory at Detroit, Mich. We have the Incubator and Brooder business down to a science.
 Chatham Incubators and Brooders will make you money, for a Chatham Incubator will hatch a live, healthy chicken out of every fertile egg put into it, in 21 days.
 Will you write for my book today? Do it now while you think of it. Just say on a postal "Please send me your Incubator Book"—that's all. Address me personally.
