

No. 4.—END SPRING GEAR CORNING BODY with Phaeton Seat.

A favorite with elderly people. Extra large and comfortable Seat.

Our Phaeton Seat adds practically nothing to the weight of the job and but little to the cost. Made to fit any of our standard width jobs, viz. :—Nos. 1, 2, 4, 5, 20, 21, 44, 44½, 52, and 53.

This seat is designed more particularly for people who prefer **SOLID COMFORT** to light appearance. Supplied with Patent One Lever Top, Patent Noiseless Rubber and Brass Washers, Patent Steel Safety Fifth Wheel. (See No. 4, Page 51, for other specifications.)
