SERGEANTS AND DETECTIVES GET SALARY INCREASE

Raise of 50 Cents per Day was Approved by Police Commissioners.

ESTIMATES REDUCED

Board's Expenditures for Year Now Well Within \$21,000.00

The Board of Police Commissioners met yesterday afternoon in the Court House. Chief Slemin presented a detailed statement showing how the amount of estimates would be spent this year. The sergeants and detectives received their desired raise of 50 cents per day, commencing with January 1st. No increase in salary was granted to Chief Slemin. The meeting was short in duration. The Chief submitted the following statement:

Brantford, March 14, 1918
To the Honorable Board of Police Commissioners, City.

Dear sirs,
For your information I beg to submit herewith, detailed statement showing how the amount of \$21,000, being amount of estimates, as passed by your honorable board at the last meeting, will be disbursed.

The services of the auto patrol have been dispensed with, also the two station duty men have been let go. The clerk's office has been moved downstairs in order that he may assist with the work of the general office during the day.

The item of telephone rent has been reduced to \$45, that of the Y.M.C.A. to \$20, and the item of law and incidentals to \$100, the total reduction in these three items amounting to \$162.40.

I propose to have eight patrolmen for street duty, day and night, each man to take his turn in the station for night duty a week at a time. Owing to the fact that the clerk is appointed by the City Council I am not including his salary in the estimates of the Police Department. The salaries will therefore be divided as follows, allowance being made for the increase granted to the constables by your honorable board:

Chief Constable	\$2,150.00
Three sergeants at \$3.50 per day each	3,825.00
Truant Officer Boylan at \$3.25 per day	1,186.25
Detective Schuler at \$3 per day	1,095.00
Constables Coiden and Pickell at \$7.10 per day each	2,263.00
Constable Howling at \$2.25 per day	1,076.75
Constables Dimond and Miller at \$2.25 per day each	2,080.50
Constable Outerson at \$2.10 per day	985.50
Two patrolmen for street duty at \$2.70 per day each	1,971.00
Janitor	247.29
Total	\$19,887.79

If the increase asked for by the sergeants and plain clothes men of 50 cents per day is granted the salary estimate will be increased to \$21,000.00.

I trust that the estimates will now meet with your approval.
Your obedient servant,
CHAS. SLEMIN,
Chief Constable.

Salaries	\$19,887.79
Clothing and repairs	900.00
Fuel	200.00
Telephone rent	345.00
Stationery and printing	175.00
Bicycle repairs	100.00
City Treasurer	125.00
Law and incidentals	100.00
Telegrams and long distance calls	75.00
Conveyance and meals for persons	35.00
Photos and supplies	25.00
Attendance of officers at Y.M.C.A.	30.00
Interpreter and matron, court cases	125.00
Postage	85.00
Printing annual report	40.00
Clothing allowance for Detectives Chapman and Schuler and Truant Officer Boylan, \$75 each	225.00
Lighting	100.00
Total	\$19,848.70

If increase of 50c per day granted to sergeants and plain clothes men \$12.50

Total \$20,461.20

With U. S. Forces.
With the American Army in France, Monday, March 18. (By The Associated Press).—American artillery on the Toul front today bombarded towns within the enemy lines. On several occasions a considerable number of gas shells were used. The gunners also dropped projectiles on German trenches. Some shells hit in the town of Eusey and others in Montsec. Last night airplanes from the rear of the American lines crossed over to the German zone. Soon after many explosions and flashes were heard and seen in the direction of Metz.

American planes discovered during the night that the Germans are strengthening the second line. It is known that the first line in many places virtually has been abandoned.

NATION FLEEED FOR VAST SUMS

Appalling Exposure of Profiteering by British Munition Firms.

NEW SHIPPING BOARD

No Weakening Among the People on War Aims Despite Conditions

London, Mar. 19.—The exposure of enormous profits made by British munition firms has created a deep impression. The evidence indicates the grossest incompetency and inefficiency in awarding contracts and fixing prices. Canadian munition makers, in their most profitable contracts, never benefited by such generous assistance nor were rewarded by such enormous profits. The British press is unanimous in condemnation and demands more technical knowledge and strict accounting in future business. One firm's profit was five times its capital and others almost as great.

Even after special war taxation the firms earned twice the standard profit, in addition to retaining huge sums for depreciation. "The report of the Committee on National Expenditure is not pleasant reading. It is an appalling exposure of shameless profiteering on the one hand, and of absurdly incompetent red tape on the other. Between the two the nation has been fleeced for vast sums." This is the typical press comment.

Failure of Ship Production
Almost concurrent with the exposure of waste came another depressing admission, that the shipbuilding effort had failed to produce the expected results. On the rapid production of ships depends the safety and the Empire's existence. Labor troubles, lack of discrimination in enlistment, and again the failure to place direction of the policy under practical men, combined to lower the standard of production.

Drastic steps are being taken to remedy this condition. A new shipbuilding board of practical men has been appointed and the army is being combed for efficient artisans.

Canada and the United States are expected to force a greater production. The one essential to victory is ships and more ships. These failures and the ever present Irish problem, accentuated by the death of John Redmond, is the dark side of the picture. Irish conditions show little improvement, and John Dillon lacks the personality of his predecessor. It is feared he cannot hold in check his more aggressive followers with the success of the late leader.

Even with these discouraging conditions there is no weakening among the people nor the slightest pessimism for the ultimate result of the war. All are awaiting America's efforts and hoping that they will be long delayed. British people have accepted a real war basis conditions without protest, and are willing to submit to any deprivation that will make for victory. No objection to the drastic food regulations nor restrictions has been heard.

JOHNSON'S MOTHER DEAD

By Courier Local Wire
Chicago, March 19.—Mrs. Tiny Johnson, aged 74, mother of Jack Johnson, former heavyweight champion pugilist, died at home here last night. Johnson, who is said to be in Buenos Aires, is a fugitive from justice, having been convicted here in 1913 for violating the Mann Act.

GIVE AND TAKE

By Courier Local Wire
Montreal, March 18.—President Calder, of the N.H.L., announces that the league will follow a give and take policy in the Stanley Cup matches. Toronto wants Crawford and Adams to play and Vancouver wants Ions to be one of the referees. There is no rule to sanction either proposal. If Vancouver however, will allow the two men mentioned to play, Toronto will agree to Ions as one of the referees, and President Calder will probably select Major Lou Marsh as the other official.

LADIES! LOOK YOUNG, DARKEN GRAY HAIR

Use Grandma's Sage Tea and Sulphur
recipe and nobody can tell.
Brush it through hair.

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks streaked just a few applications of Sage Tea, and Sulphur enhances its appearance a hundred-fold.

Don't stay gray! Look young! Either prepare the recipe at home or get from any drug store a bottle of "Wyeth's Sage and Sulphur Compound" which is merely the old-time recipe improved by the addition of other ingredients. Thousands of folk recommend this restorative preparation, because it darkens the hair beautifully, besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy, and lustrous, and you appear younger.

Wyeth's Sage and Sulphur Compound is a delightful toilet preparation. It is not intended for the cure, mitigation or prevention of disease.

DAYLIGHT SAVING IS DISAPPROVED BY THE GRAND JURY

Say Grand Could Not Be Worked Earlier Than is Now Done

The Grand Jury this morning submitted the following report: To the Honorable Mr. Justice Rose, presiding judge at the Court of Assize and General Jail Delivery for the County of Brant May it please your Lordship: We, the Grand Jurors at the Spring Assizes for the County of Brant, beg to report as follows: Upon this your first visit to our county, we desire to congratulate Your Lordship upon your elevation to the bench and trust that you may long be spared to fulfill the duties pertaining to such position. We congratulate Your Lordship also upon the fact that there are no criminal cases to be tried at this court.

We thank you for your address and while we realize the great necessity for food conservation and greater food production, we are unable, after discussion of the question, to offer any further suggestions in reference to the same. It is the opinion of your Grand Jurors that the daylight saving scheme would not tend to greater production, but rather the reverse, as in the early morning hours the ground is not in a fit condition to be worked.

We inspected the jail where we found everything in a very satisfactory condition. There are at present 10 male prisoners therein. We did not visit any of the other public institutions, in view of the fact that they have been recently inspected by previous Grand Jurors and found to be satisfactory, and we believe that it is the duty of all at this time to incur no unnecessary expense in this regard.

All of which is respectfully submitted.
Signed on behalf of the Grand Jury.
