On Thursday evening last an organization meeting for the Canadian Patriotic Fund was held at the Court House, Kentville. The attendance was representative but was not large, Wolfville, having a most energetic delegation present.

Mr. A. S. Barnstead, secretary for the Province, gave interesting statistics in reference to the work in the Province and the apportionment to the counties. During the eight months of 1916 there had been paid out as much to different families as for the fourteen months previous.

Mr. A. S. Barnstead, secretary for the Province, gave interesting statistics in reference to the work in the Province and the apportionment to the counties.

Short addresses were then given by Messrs. W. H. Chase, Dr. H. T. DeWolfe and Dr. DeWitt, Wolfville; B. Webster, R. B. Layton and Superintendent Blair, Kentville; J. D. Warren, Morden, and resolutions leading to organization for collecting funds were carried.

RECENTS DEATHS AND LIST OF WOUNDED

The many Halifax friends of Captain Horace Dickey will learn with regret of his death at the front.

Captain Dickey, who was a son of the late Hon. Arthur Dickey, of Amherst, enlisted at Edmonton but later was transferred to a Nova Scotian battalion and was adjutant of that regiment.

Private Gilbert James Bartlow was admitted to No. 1 Convalescent Depot at Boulogne, September 10, suffering from shrapnel wound in thigh.

Private Bartlow left Halifax last winter with the 64th Battalion, but he was transferred to another battalion at the front.

J. E. Fielding, 26 Honover Street, Halifax, received official notification that his son F. N. Fielding has been wounded in action, shot through the left arm, on September 17. This is the second time that young Fielding has been in the casualty list and he had but recently returned from England to again take his place in the firing line.

C. H. Cahan, K.C., has received a cable stating that his son, Captain John F. Cahan, First Canadian Pioneer Corps, is in No. 7 Stationary Hospital, Boulogne, with a wound in the lower part of the spine, and that his condition is serious, though comfortable.

Lieut.-Col. Flowers, who left Halifax as second in command of the 64th Battalion, but was subsequently assigned to duty with another Nova Scotia battalion, has been slightly wounded in action.

CONSERVATIVE WON IN CARLETON CO., N. B.

In the by-election in Carleton County, N. B., on the 21st Hon. B. Frank Smith and his colleague W. S. Sutton defeated their Liberal opponents, Andrew McLaren and G. W. Upham by majorities of over 500.

There was much interest in this county fight, as it seemed to be a test of strength between the Conservative nominee for that constituency for the House of Commons ex-Premier J. K. Flemming, and F. B. Carvell the present Liberal M. P. for the County.

There is much rejoicing in many quarters over this victory on the 21st and a corresponding gloom in other places.

A Daring Murder

Did Mary Page put James Pollock Out of the Way? "I don't remember—perhaps I did" she sobs.

In the dressing room of a big Broadway Theatre Mary Page, a beautiful actress, attacks James Pollock, who is bestowing undesired attentions upon her on the eve of a dress rehearsal of a new play.

Mary, herself, does not know whether she shot Pollock. She almost believes she did, for throughout her life a powerful evil influence has affected her mind.

There! We almost gave you a clue. Can you solve the mystery?

For your answer see "The Strange Case of Mary Page" the big new serial, the first episode of which will be shown at the Nicklet Theatre on Friday and Saturday this week in addition to the regular five reel feature and on the same days each week thereafter for fifteen consecutive weeks.

GREAT BRITAIN'S NEW WAR INVENTIONS

New York, September 21.—The British are manufacturing new war inventions "which would turn the Krupps green with envy," according to Dr. Benjamin Rand, (a former Nova Scotian) of Harvard University, who returned from a visit to England today on the steamer Andania. Accorded privileges of inspection by the British Foreign Office, Dr. Rand said he visited munition and ordnance factories and saw "some astounding inventions, but that he was pledged to Kentville where they were. He found among every class, he said, an intense determination to do all possible to win the war. In one factory he saw 7,000 women at work, uniformed in khaki. New factories were being built, he said, and existing ones constantly extended.

NEWSPAPER TO CHANGE HANDS

A well authenticated rumor is to the effect that the Annapolis Spectator will change hands the first of the month, a New York printer a resident of Annapolis County taking charge of the plant under an option for one year.

NEWSPAPERS WAKING UP

In consequence of the dearth of paper and of everything else connected with the publication of a newspaper, the British Columbia newspapers have decided to do away with all dead-head announcements: Notices of ratepayers, political, suffrage, patriotic, lodge, society, club or church meetings and services, concerts, socials, etc., inserted under special headings of "Meeting" on classified pages at one cent per word per insertion. As reading matter under the head of "Announcements" on news pages at three cents per word, per insertion. In effect Sept. 9.

In referring to the above, the Hamilton, Ontario, Times says: "Since the war began the Times has given away thousands of dollars' advertising space free for patriotic purposes. No other business has had such claims put upon it as has the newspaper business, and this in spite of the fact that few businesses, if any, suffer more because of the war."

An "Afternoon Tea" and exhibition of work will be given by the Red Cross Society at the Court House on Thursday afternoon from 3 to 6 o'clock. Donations of Sandwiches, Rolls, Cake, etc., can be sent to the R. C. Rooms in the morning. Admission and tea 15 cents.
