duction in our export finds.

De: th of Samuel Prat, Eq.

The people of Welfville were sheek ed and grieved on Satarday evening by the announcement of the enddon duct of one of our most respected caix on Mr. This view is without doubt a just one and while every Protestant would depreciate having a difference with so worthy and eniment a person as Archivshop Of Eq. (yet it is a vident that there must be intended on Priday. Saturday it was seen that his condition was serious, and at bout 7 in the cycling he passed away. The deceased had ban a resident of Wolfville for many yeters, and won the respect and esterm of sit. For a number of years he had the position of station agent. He will be greatly phissed by a large circle of friends.

Scientific Temperance Intended in a new contingent of the same of the control of the same of the control of the same of the control of the same and a statistic dentities and he those in tafety, as the bort will ensure the control of the c of station agent. He will be greatly paissed by a large circle of friends.

Scientific Temperance In action in the School.

The Louisiana Lottery vis doomed. John A. Morris and his associates had applied to the State Legisla ure for a twenty-five years charter, offering to p.y. a yearly tax of \$1,250,000, and the proposed constitutional procedurent was conducted by some smaller organizations which it willing to do in the metter, or whether willing to to in the metter, or whether willing to do in the metter, or whether willin

Dependence of 09,000,000 miles. In 1891 the 16 roads now forming the system hauled 19,000,000 miles. In 1890 the severage passenger paid 23/c. per mile; in 1891 the 16 roads now forming the system of severage passenger paid 1,93c. In 1866 each ton of frzight hauled produced an average revenue of 4.6c. per ton-mile; in 1891 the ton-mile cost is reduced by competition and scientific development to less than 0.75c. In 1866 125 locomotives, 251 passenger and 1,221 freight cars handled the business of the Vandarbuilt lines in New York state; in 1891 the list shows 1,176 locomotives, 1,232 passenger and 42,678 freight cars handled the business of the Vandarbuilt lines in New York state; in 1891 the list shows 1,176 locomotives, 1,232 passenger and 42,678 freight cars. The fast express train of 1866 made 24 miles per hour; that of 1891 average 51 miles in the same time from the Atlantic to the lake.
