WOLFVILLE, N. S., JUNE 20, 1896.

Local and Provincial.

Monday next, June 23, is the day appointed by law for the annual school meeting throughout the province.

The first crate of strawberries sent to Halifax last year was June 15th. On Tuesday, the 16th, this year, a crate was sent from Waterville to Halifax.

Acadia Lodge, I. O. G. T., held its annual picnic at Moore's Falls, on Wednesday. The day was a very pleasant one and an enjoyable time was had.

It is said that a man who won't buy a paper because he can borrow one has invited a machine by which he can cook his dinner by the smoke of his neighbor's chimney.

The prettily written poem entitled "Preserverando," which formed the graduating essay of Miss Grace Patriguin of Wolfville, was published in full in a recent issue of the *Messenger and Visitor*.

Mrs. Maud J. Morse has applied to the Suffolk county, Mass., court for a divorce from her husband, John S. Morse, of Melville, Aylesford. She alleges desertion and asks for the custody of her youngest child, Clarence G. Morse, now in Nova Scotia with his father.

The Nova Scotia Farmers' Association is to hold a special summer meeting at Mabou, C. B., Tuesday, June 30th, and at Whycomagh, C. B., Wednesday, July 1st. Leading agriculturists have promised to be present and give addresses and interesting and profitable meetings are expected.

The social held in the vestry of the Presbyterian church on Friday evening last, was a most enjoyable affair. A large number of the members and adherents of the church were present, and an attractive literary and musical programme rendered. Ice cream was served during the evening.

The Nova Scotia Fire Insurance association have given notice to the agents interested, of a resolution adopted by the association "that on and after the first day of July, 1896, twenty per cent. be added to the rates on all specifically rated risks in Bridgewater, Parramore, Liverpool and Pictou, until such towns be provided with water works to the satisfaction of the association."

Lost.—A Rubber Lap Spread, between Gasperova and Black River. Finder will oblige by leaving at the residence of Mr. Fred Miner, Union St., or at this office.

The "Flower Mission" committee in connection with the W. C. T. U., commemorated the birthday of Miss Casseday, the founder and first National superintendent, by sending bouquets of flowers tied with white ribbon, and illuminated text cards attached, to the invalids and shut-ins of the town. A box of flowers will be sent weekly to the hospitals of Halifax, while the flower season lasts. Contributions for this beautiful work, will be gratefully received by the committee, who will be at the Baptist church every Monday afternoon at four o'clock. We hope that growers of flowers will show an interest in this mission.

To the Editor of the ACADIAN.
DEAR SIR,—If the person who wrote the communication referring to a "miscellaneous" taking shrubs and flowers from the park grounds would be honest enough to give to the building committee, who have for the time being the charge of the grounds, the reason why he makes the assertion, the committee will see to it that the matter will be set right, and had the solicitors individual who wrote the communication instructed the committee that such was the case, it might not have been necessary for him to rush into print.

Yours truly
O. E. DEWITT,
CHAIRMAN OF COMMITTEE.
