

ST. JOHN MAN HAS GAINED 28 POUNDS

H. F. Rollings is Surprised by Rapid Improvement—Troubles End

"The best proof I can give that Tanlac is the right thing for me is the way it is building me up," said H. F. Rollings, of 62 Flower Hill St., Johns, Newfoundland, recently. Mr. Rollings has been employed as carpenter by Reeds Newfoundland Railway Company for ten years.

"At the time I began taking Tanlac," he continued, "I only weighed one hundred and twenty-two pounds, but now I weigh one hundred and fifty pounds—have actually gained twenty-eight pounds—and am picking up, both in weight and strength.

"I had been in the worst kind of a fix for some time and could get nothing to do me much good, if any. My appetite went back on me and my stomach was in such a bad fix that I could not eat meats or any of the more substantial foods at all. I had severe headaches and was so run down and weak that I couldn't do justice to my work. I would get so weak, faint and dizzy that I was actually afraid to mount the scaffolds. I was very nervous and nearly all my strength just seemed to be gone. One day while crossing the railroad track I felt one of those dizzy spells coming on me. I managed to call for help, but I fainted dead away, and the next thing I knew I was home. I could never get a good night's sleep and that tired, worn out feeling was with me all the time.

"My improvement since I began using Tanlac has certainly surprised me. My appetite returned after the first few doses and by the time my first bottle was gone I could eat and digest anything. Then I commenced to pick up my lost weight and strength and get rid of that tired, worn out feeling. The headaches, dizziness and nervousness have all left me and I sleep so soundly that I have to be woken up in the morning. My appetite is so big that I can hardly get enough to eat and I never have the least trouble with my stomach any more, and when it comes to work I can keep up my end with the best of them. I am convinced that Tanlac will help anyone who tries it and I am glad to make this statement for what it may be worth to others."

Tanlac is sold in Hartland by Estey & Curtis Co., in Bristol by Dr. G. W. Somerville, in Centreville by Stevens Bros., in Woodstock by E. W. Mair, in Benton by W. E. Porter, in River de Chute by Daniel B. Baird, in Florenceville by A. B. Lovely and in Bath by Bath Drug Co.

Open Letter From R. K. Tracey

MR. EDITOR: In his report of the Farmers Convention the editor of the Sentinel gave the result of the ballot as Smith 71, Burlock 68, Tracey 59. While this was true it placed me in a very unfair position as the vote should have been recorded separately for they should have had two conservatives and for each liberal to be balloted for.

But as it was there were four conservatives to elect two from, and three liberals to elect one from so you see it gave the conservatives one chance in two and the liberals only one chance in three. So you see I should have been credited with 50 per cent more votes.

I trust you understand this and will correct it in your next issue. You can do it as you think best.

Yours very truly,

R. K. TRACEY.

Sandford Estabrooks.

Residents of Bristol were shocked to learn of the sudden death of Sanford Estabrooks at his home on Saturday morning, December 5. He was an employee of the Bristol woodworking factory and was about his work as usual the day previous. He was held in high esteem wherever he was known, and will be greatly missed by his many friends. Besides his wife, he leaves two sons and three daughters. The funeral services were held at the Primitive Baptist church by Rev. G. A. Giberson.

Tired And Discouraged

Mrs. Warren Randies, Rothesay Kings County, N. B., writes "I have three small children and had to stay in the house all winter. So when spring came I was all run down doing all my work and looking after the children. I felt all tired out and looked on the gloomy side all the time. I decided to try Dr. Chase's Nerve Food, and the results were most satisfactory. I feel fine now, and am recommending the Nerve Food to others."

Reception by Woodstock Bride

Mrs. Harry Crossley Boyd held her first reception since her marriage on Tuesday afternoon from 3 until 6 o'clock at Woodstock. Mrs. Boyd received her guests in her wedding gown of white satin with over dress of georgette, wearing a corsage bouquet of pink and white carnations and was assisted in receiving by Mrs. Fred M. Boyd gowned in blue taffeta and georgette with embroidery of chenille and beads. The reception rooms were prettily decorated with potted plants and ferns. Miss Elva Vanwart ushered the guests into the tea room where they were served to a variety of dainty re-

OWES HER LIFE TO "FRUIT-A-TIVES"

After Years of Suffering with Dyspepsia, this Fruit Medicine Gave Relief.

Mlle. ANTOINETTE BOUCHER

917 Dorion St., Montreal.

"I am writing to tell you that I owe my life to 'Fruit-a-tives' for this remedy relieved me when I had abandoned all hope of ever recovering my health. I suffered terribly with Dyspepsia. I had it for years and all the medicines I took did not do me any good.

I read something about 'Fruit-a-tives' being good for all Stomach Troubles and Disorders of Digestion so I tried them. After finishing a few boxes, I was entirely relieved of the Dyspepsia and my general health was restored.

I thank the great fruit medicine, 'Fruit-a-tives', for this wonderful relief."

VITAL STATISTICS

The service for the collection of Vital Statistics in New Brunswick, which goes into effect on the first day of January 1920, is in consonance, so far as general principles and report-forms are concerned, with those adopted by each of the other provinces of the Dominion.

The object sought to be obtained is that the information relating to births, marriages and deaths received by this Province, should be, so far as may be, common with that obtained by every other province. These particulars will be transmitted to the Dominion Bureau of Statistics, Ottawa, where they will be collected, compiled and published. Such co-operation has been undertaken at the express request of the Dominion Bureau.

These compilations will be of the greatest value of the public, not only with respect to the public health, but also, the legal, racial and occupational status of every resident of Canada.

Entertainment at Upper Waterville

At Upper Waterville, on Thursday last a very pleasant evening was spent at the home of Mrs. Clara Porter.

Through the efforts of the teacher, Miss Vida Hamilton, a program of no mean merit was carried out by teacher and scholars.

During the latter part of the evening the ladies opened the dining room door displaying pies and baskets of all kinds which were soon disposed of by the auctioneer, John Prosser.

Just before the crowd dispersed Arthur DeGrass, as chairman, tendered Mrs. Porter a vote of thanks for the use of her commodious home and also for the tea and coffee which were served by the hostess.

The sum of \$71.10 was realized which will be used for school purposes.
