(Crowded out last week.)

WASHINGTON LETTER.

(From our Regular Correspondent.) THE BEGINNING OF THE END. SENA- 1 TORIAL DOUBTS. AN EXTRA SES-

SION IMMINENT. INAUGURAL

PREPARATION. WASHINTON, D. C., Jan'y. 28, 1881. The end of the present Administration and the present Congress comes expert are needed. Most uninitiated the present Executive and Legislative on apace, and only five weeks more of purchasers are attracted by symmetry regime remain. During the last week of form rather than by the evidences some senatorial doubts have been

from too much regard to good control the organization in favor of his looks. The Jersey, judged from this party. If he votes with the Democrats, point of view, would rank as an in- that party will have a majority of one ferior animal. It takes an educated and proceed with the re-organization eye to see the beauty there is in a Jersey. The breeders of these wet the accession of new senators will milkers, who have tethered them on make necessary. With the close of their lawns, studied their points, the present session the ablest Demohandled their skin, weighed their cratic Senator will retire, temporarily milk, and eaten their butter, come at least, from public life; his loss and o regard them as handsome as fawns.

Beauty is desirable, but it does not debaters, well read lawvers, and elonsure milk.

The signs of a good milch cow are Vorhees, Lamer, Vest, and others, but many, and we should rely, not upon none so wise, so cool and so able in one, two, or three of them, but upon debate and in counsel as the Ohio

one, two, or three of them, but upon the largest combination we can find in any one animal. The first we should regard would be a large, well developed udder, or bag, as farmers.

This is the gland in which letch had in the Hones and which I call it. This is the gland in which lately had in the House, and which I the milk is secreted, and must be do not think it can have without Shur-

tain a large amount of milk. Many persons are deceived as to the size of the udder by seeing it hang low. We like to see an udder bread and well and suspense of the manner of counting this electric decision of the doubt decision of the doubt decision of the doubt decision of the doubt decision of the manner of counting this electric decision of the doubt decision moderately deep in the rear and ex- President and Congress is more reteats well spread, of good size, and Preparations for a great inaugural FLOUR.
