INTERNATIONAL TOURNAMENT.

INTERNATIONAL TOURNAMENT.

The international tournament, which opens on the Queen's Royal courts, Niagara-on-the-Lake on Monday will be the best in the history of this long established affair. The number of entries and standard of players have never been excelled. In the men's events Messrs, Beals, Wright, Johnson, Niles, Little, Neeley, Palmer, Forbes, Wick, Garrison, McLaughlin, Wagner and Kirkover are the best known of the American players, but on this occasion a new and uncertain element will appear in the person of the five crack players from California. They have already presented themselves at the western tournament and this week are at Newport. Those who have watched them play predict results at present unexpected. Then among the Canadian players, Ottawa, Montreal and Toronto are each sending their best representatives in the persons of Foulkes, Veysey, Grier and Baird, and there are confident expectations that Parker, the New Zealand international, will be on hand. But perhaps of even more general interest on this occasion are the ladies' events. Among the two dozen entries stand out prominently the names of Miss May Sutton, of Pasadena, Cal., and Mrs. Hannam, of Toronto; the former the acknowledged lady champion of the world and the latter representing the highest of ton, of Pasadena, Cal., and Mrs. Hannam, of Toronto; the former the acknowledged lady champion of the world and
the latter representing the highest of
English and Canadian tefnis, challenging her for the title. And when they
meet it is safe to say the courts of the
Queen's Royal ill not have capacity sufficient to accommodate those anxious to
witness the battle royal. But the intereat in the ladies' tennis will be kept
alive by the attendance also of such
high-class exponents as Miss Rotch, Miss
Neely, Miss Wagner, Miss Moore, Mrs.
Beard (formerly Miss Edythe Parker),
Miss Steever, Miss Moyes, Miss Summerhayes, Mrs. McIvor, Miss Howitt, Mrs.
McCullough, Miss Fairbairn, Miss Keith
and Mrs. Boultbee. A visit to the courts
shows them to be in super-excellent condition. Special arrangements for transportation have been made with the
Niagara Navigation Company. Play
will start on Monday morning and all
Canadian players are expected to be on
hand not later than the afternoon of
that day.

Manager Lajoie Hands in Resignation.

be appointed by the directors of the team. Lajoie will continue to play with the team.

Lajoie's resignation is due to the large amount of criticism he has been subjected to on account of his failure to make a better showing with the team this year. Rumors of dissensions among the players on account of Lajoie's alleged personal unpopularity have been rife. This, coupled with the team's losing streak on the last eastern invasion, caused many patrons of the game to demand his resignation. The club owners defended Lajoie.

No successor for Lajoie has been appointed, and the club owners say they are undecided as to whom they will appoint.

In his letter of resignation Lejoie said: "I feel that any criticism directed said: "I feel that any criticism directed toward me in the past or at present is not due to any personal feeling toward me, but is solely because of a conscientious desire to see Cleveland have a winner, and it is but natural for them to put the blame on the manager who does not give them one.

Saratoga, N. Y., Aug. 18.—Abe Attell, the featherweight champion, and Harry Sione are ready for their ten-round bout before the members of the Saratoka A. C., in Convention Hall to-night, Stone, who is rugged and clever, will have the advantage in height, weight and reach, and 'is confident he will last the ten rounds with the heavyweight featherweight champion. Several good bets have been made that he will be on his feet when the bell rings at the end of the tenth. The bad weather of the past two days kept Attell and Stone off the roads. They have been doing from six to eight miles a day.

Kid Griffo, who is training Attell, says Abe is in the best of shape.

The Stanley Mills Co. team put a clinch on the championship of the Retail Legaue by handing a decisive defeat to G. W. Robinson & Co's. team at Victoria Park last evening. The score at the finish stood 39 to 14. For the losers, Vipond and Kelly, together with an importation, Graham by name, worked hard enough. Graham pitched the last few innings, and with any sup-port he would have held the Mills team the last few innings, and with any sup-port he would have held the Mills team down to a respectable score. Every mem-ber on the Mills team played snappy ball. The batteries were: Vipond, Gra-ham and Stewart; Whittington and Oakes.

was that in issuing the charter the department merely carried out the provisions of the Dominion Companies Act, and that there was no legal reason why the charter should not be granted.

Speaking of the complaints that the granting of the charter was in opposition to the policy of the Provincial authorities, he said:

"I am not aware that the Province has any policy, woith regard to such matters, and if the Province did have a policy it would not enter into a question of whether a charter applied for should be granted. The charter that was issued at Ottaaw gives the applicants the right to hold race meets, and it supplies other powers. The Toronto Hunt Club and other organizations have secured Dominion/charter carrying with them wider powers than are being exercised by the holders.

"The Provincial Government cancelled the charter because those who held it did not live up to their stated obligations. The Federal Government has no right to scrutinize the personnel of applicants for charters, because if it started that it would be usurping the functions of many other bodies. The application having been made, and as there was no legal reason why the charter should not be granted, it was granted; that is all there is to it."

it was granted; that is all there is to it."

Asked whether the charter having been issued, it could be revoked by the Federal authorities, Mr. Mulvey declined to express an opinion, saying that it was too wide a question, as was also the question as to whether or not the Ontario Government could take steps to annul the charter. He said: "Bear in mind that there is no question of bookmaking or betting in the charter just issued. The laying of bets on an incorporated race track is not an illegal matter. If it were made illegal, or if those interested think it may be declared illegal, the courts are open in a variety of ways for a test to be made."
