

THE UNION ADVOCATE
ESTABLISHED 1887
PUBLISHED WEEKLY
TUESDAY, NOV. 5th and 12th, 1918

OUR FUTURE.
After a forced lapse of one issue, the management of The Union Advocate are pleased to announce that arrangements have been completed for the publication of our paper for a period of six months, until necessary repairs can be made to our office and equipment which will enable us to resume publication on the 1st of December.

INFLUENZA EPIDEMIC ABATING SLOWLY
The scourge of influenza which has ravaged Northumberland for the past four weeks, is slowly abating, but a large number of cases still exist, and while fewer cases are developing, there should be no let up in the precautions advised by the Board of Health for some time yet.

PEPS
The chest. When a Peps tablet is taken from its preserving silver wrapper and allowed to dissolve in the mouth, it gives off powerful medicinal and germicidal fumes that immediately circulate with the breath through all the air passages, and destroy any germs that have got into

DEATH CLAIMS W. M. T. UNDERHILL
W. Millet T. Underhill, a well-known lumberman of Blackville and an ex-councilor for that parish, died of pneumonia Sunday. He contracted influenza in his camp on the Dungarvon River on the previous Sunday, and was with great difficulty brought home. He was about sixty-eight years of age.

THE GRIM REAPER HAS BEEN BUSY
Many Loved Ones Receive Final Summons During the Past Two Weeks.
George McFarlane, aged 20, son of Mr. and Mrs. Thos. McFarlane, of Chatham, died in St. John on October 31st from pneumonia.

The death of Rufus Palmer, of Chelmsford, occurred in Campbellton on the 2nd inst., from pneumonia, aged 16 years.
After several days' illness of influenza and pneumonia, Amos Vye, the 16-year-old son of Mr. and Mrs. Howard Vye, of Douglastown, passed away on October 30th.

Howard Russell, of Nordin, son of Mr. and Mrs. George Russell, died on November 2nd, after a short illness of pneumonia, aged 21 years.
The death of Miss Dorothy Walsh, aged 14 years, daughter of Mr. and Mrs. W. J. Walsh, of Redbank, occurred on the 1st inst., following an attack of influenza.

The death of Mr. Thomas Reid, of Rosebank, occurred on Monday, Oct. 28th. He was a well-known resident of Newcastle, and was employed for a number of years on the C. G. R. He was 79 years of age, and death occurred after a lingering illness.

Clarence, the nine-year-old son of Mr. and Mrs. John Harker, of Nelson, passed away on Sunday, the 1st inst. Death was due to pneumonia.
The death occurred at Halifax on Nov. 4th, of Mrs. Jettie Saunders, aged 33 years. Deceased was formerly Miss Annie McKibbin, of Whiteville.

An aged resident of Chelmsford passed away on the 2nd inst. in the person of Mrs. Mary Jane Ambrose, aged 88 years. She is survived by one brother, Allan Saunders, and one sister, Miss Kate Saunders.

After a short illness of influenza, followed by pneumonia, Thomas G. Clarke, of McKimleyville, passed away Wednesday, Nov. 6th, at his home. Deceased, who was a surveyor, was a respected resident of the village.

The death of John McInnis, of Chelmsford, occurred at the Hotel Dieu, Campbellton, October 30th, of pneumonia, following an attack of Spanish influenza.
Another Douglastown home has been saddened because of influenza. Pte. George Johnston, son of Mr. and Mrs. Frank Johnston, Douglastown, who enlisted early in the war with the 55th Battalion at Edmonton, Alberta, died of influenza in England, on the 24th ult. He had been twice wounded and after his second recovery had been assigned to work in a hospital.

George Stewart, the 20-year-old son of Mr. and Mrs. John Stewart, of Boom Road, died on the 2nd inst., from influenza.
The death of Mrs. Mary Williams, of Chatham Head, occurred on Tuesday, October 29th, after an illness of typhoid-pneumonia. Deceased was 44 years of age.

Miss Cassie Russell, daughter of Mr. and Mrs. Frank Russell, of Douglastown, died at her home there Tuesday, October 29th, of influenza. She was 18 years of age.
The death of Chesley, youngest child of Mrs. James Taylor, of Nordin, occurred Wednesday, October 30th, of pneumonia. The oldest of the family, William, died recently.

The death of Walter Peterson, of Millerton, about 24 years old, son of Mr. and Mrs. Charles Peterson, occurred Wednesday morning, October 30th, of pneumonia. Deceased lost a brother, George, in action in France two years ago.
The death of Mrs. Elizabeth Purcell, widow of late Richard Purcell, of Chatham, occurred at the home of her brother and sister, Andrew and Miss Ellen McBride, Newcastle, on Wednesday, October 30th, at the age of 69 years.

Use more soup
Put in plenty of vegetables and rice or barley. Even with poor stock delicious soups can be made by adding a dash of BOVRIL

GENERAL STRIKE WAS ARRANGED AT VIENNA
Copenhagen, Nov. 13.—A general strike was arranged for Monday at Vienna, according to despatches from that city. One of the features was to be a great demonstration in front of the parliament buildings where the National Convention was sitting.

NERVOUS AILMENTS
Few people realize that nervous ailments often arise from digestive troubles. The stomach fails, for some reason, to digest food properly. Then the system languishes and the nerves become exhausted in striving to continue their work. Impure blood also causes nerve troubles, but frequently it is in the stomach where the mischief starts. As the nourishment is carried to the nerves by the blood, it will be seen what an important connection exists between the stomach, the nerves and the blood, and how such trouble as nervous headaches, nervous dyspepsia and insomnia may begin.

In such cases relief is easily obtainable by means of Dr. Williams' Pink Pills. These pills replenish the blood with the food elements on which the nerves thrive; at the same time they exercise a tonic influence on the digestive organs, enabling the system to derive nourishment from the food taken. By this perfectly natural process nervous ailments are steadily dispelled.

Dr. Williams' Pink Pills, if you are suffering from nerves, or require a blood-making tonic, give these pills a fair trial, and see how speedily the weight of health is restored to you. You can get these pills through any dealer in medicine, or by mail at 50 cents a box or six boxes for \$2.50. Write The Dr. Williams' Medicine Co., Brockville, Ont.—(Adv.)

The community was saddened last week by the death of Mrs. Louise Clowater, widow of the late John Clowater. The deceased was 83 years of age and is survived by four daughters—Miss Marion, of Lowell, Mass.; Mrs. John Hersey, of Waltham, Mass.; Helen Quimby, of Lowell, Mass.; and Mrs. C. Sutherland, of this city. The remains were conveyed to her former home in Ludlow, N. B., on "Whooper" this morning, and interment will take place there today—Gleaner.

The death of Frank Paulin, of Chatham Head, occurred Thursday morning, Nov. 7th. Deceased was about forty-five years of age, and leaves three children, the youngest two years old. Mrs. Paulin died of smallpox last spring.
Mrs. Angelina Duette passed away at the home of her daughter, Mrs. Howard Grant, Fredericton, Wednesday afternoon. The deceased was 63 years of age and is survived by her husband, David, two sons, Adeline and Alban overseas with the Canadian forces, and two daughters. The funeral took place Friday morning, interment being made at the Hermitage, Fredericton.

Relieve Your Rheumatism For 25c.
NR does it by improving digestion, assimilation and elimination—the logical way.

NR Today—Relief or No Pay
There are three vital processes of human existence—the digestion of food, the extraction of nourishment from it, and the elimination of the waste.

Let anything interfere with these processes, and then be interrupted or improperly carried on, and sickness of some kind follows.
Poor digestion and assimilation cause failure to derive full nourishment from food, and thus to turn it into strong, healthy, assimilable blood. Poor elimination causes the waste to be retained in the system, and thus to poison the body, hence the danger to the system of many serious diseases.

Elimination cannot be expected to yield to any medicine that fails to correct the cause of the trouble. Dr. Dickinson & Trow's "The Reformer" is a safe, reliable, and guaranteed remedy for all cases of indigestion, assimilation, and elimination.

RECOMMENDED FOR MILITARY MEDAL BUT DEATH CAME FIRST
Following the news of the death of her son, Private John F. Bastian, of the 36th Battalion, who was killed in action on August 18, his mother, who resides at Rogersville, has received a letter written by him ten days before his death in which he wrote hopefully of the prospect of an early return home.

The letter from her son is as follows:—
Dear Mother: I suppose you are wondering how I am getting along in this drive. Well, I have pulled through so far, thank God for His kind blessings. As He is the only one to put my trust in, I had a letter from Charlie and he was just the same, but he is better off in England than in France. I hope he gets a trip home.

I hope we will soon be able to go home once more. Well, cheer up, mother, until I get back again. I suppose you have seen in the papers the great advance we made. It was a fine one.

His Lieutenant writes as follows:—
France, Sept. 8, 1918.
Dear Mrs. Bastian: No doubt by this time you will have received official word of your dear son's death. I wish, in behalf of my platoon, to extend to you and yours our deepest and most profound sympathy in your great sorrow. Your son was instantly killed by a shell as we were driving back the Germans in the last big advance. He was laid to his last rest and given a decent burial in a military cemetery east of Arras. Mrs. Bastian, I feel how useless words of mine are to comfort you in your great bereavement, but hope and trust the Almighty God in His mercy will give you the strength to bear your great burden.

Your dear son and I were personal friends, being in the same company in the old 132nd Battalion together, so when he came to France I was able to get him with me in my platoon. In the battle of Amiens he was recommended for a military medal for his good work under heavy fire.

If there is anything further you would like to know, please do not hesitate to write, because I want you to know it is a pleasure to me to do old boys for the mother of one of my old boys.
Yours very sincerely,
F. W. BENN, Lieutenant, 36th Canadians.

DEMONSTRATIONS CONTINUE IN PARIS
Paris, Tuesday, Nov. 12.—Demonstrations over signing of the armistice continued in Paris and throughout France today. Schools, factories, postoffices and many shops were closed. Great crowds continue to parade the boulevards and important streets.

GIRLS! LEMON JUICE IS SKIN WHITENER
How to make a creamy beauty lotion for a few cents.
The juice of two fresh lemons strained into a bottle containing three ounces of orchard white makes a whole quart of the most remarkable "beauty" skin-whitener that about the color one must pay for a small jar of the ordinary cold cream.

Strain the lemon juice through a fine cloth so no lemon pulp gets in; then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, sallowness and tan, and is the ideal skin softener, whitener and beautifier.

Just try it! Get three ounces of orchard white at any drug-store and two lemons from the grocer and make up a quart of this sweetly fragrant lemon lotion, and massage it daily into the face, neck, arms and hands.
