whole down."

A grow up town, whose complained about selling had eggs, said: At this mad of her year the hours are not well and offers lay had eggs.

When a man reminds yee that you were him, just make a note of it. He will take more interest in the matter if you humore him in that way.

An unsuccessful lover was asked by what means he lost his divinity. "Aims I' cried to, "I flattered her until she got too proud to speak to me."

The eld gentleman who spent a fortune in undesvoring to hatch colts from horse obsetuats, is now cultivating egg plants with a view to raising chickens.

A physician beasting at dinner that he cured his own hams, one of his guests remarked, "Well, doctor, I would sooner be your ham then your patient."

When yu find a min who is very selicitus shout the welfare or everybody yo him a stely put him down as one who is hunting for a minfortune.—Joan Bitteres.

Lines.

A LAUNDAY B recipe for doing in the steep of the day of the grow of the grows and pour over the cold.

The greatest and oldest suspension bridge in the world is in Chira, near King-tang; it is formed of chains.—
Rope suspension bridges, from rocks to recte, are also of Chinese origin. In these realms chain suspension bridges are of recent construction. The bridge over the Menai Strait is the most surprising work, every way considered, of modern times.

Did any of you ever think of the part of t

mony to be an invaluable medicine.

It is used internally and externally.

Sold regresses the British Greenment Stamp, with the words, to be an invaluable medicine.

It has become necessary to make this amountaments, because the New York Chemical Company (who pay nobody), inding at last that their name has been to expanse, have assumed the title, of "Heliomay and Co.;" but, even now, no one off lawy their medicines direct from them, so that they have made arrangements to supply exclasively the firm of Means, so that they have made arrangements to supply acadesively the firm of Means, so that they have made arrangements to supply acadesively the firm of Means, so that they have made arrangements to supply acadesively the firm of Means, so that from the large connexion Means. Henry and Co., have in the British Provinces and elsewhers, the public is very likely to be impossed upon by unsormpulous vendors and others unless they exercise great aution to prevent their being misled, by finding these medicines bearing a samp with the name of "Holloway and Co., New York," printed thereon.

Many respectable Firms in the British Provinces, who obtain my medicines direct from here, have very properly agreed that I should, for the benefit of themselves and the public, insert has more accountable to the summer of the second themselves and the public, insert has more accountable to the second the sec
