How many of you—When care has been taken,
I ask my friend in good clothes—

I've seen the day I wanted myself in dress,
I've done it's that now—'at later change,
Gord's shows in part of finishing garments, plain,
A man we could—looks something like a man,
The previous I, I think like the use—
Although compelled sometimes—I'll not abuse
If this time, I'll just state an honest fact,
