Reduce Your Coal Bill BY USING

'Kolecon,'

The Coal Economiser.

SAVES 5 CWT. IN EVERY TON OF COAL.

KOLECON furnishes to coal just what coal lacks to make a perfect combustion, and by using it the coal is all burned, and the air of the room remains sweet and pure. By the use of Kolecon a fire can be kept burning continuously, and the ashes will rake out free and soft.

When Kolecon is used, the smoke and soot are consumed. No stinkers or half-burned coal are possible when using Kolecon, even the ashes become an almost impalpable powder, which is easily drawn away when necessary.

Kolecon will make a poor quality coal do the service of the best qualities.

TRIAL PACKAGE, 25c. This package is sufficient to treat half ton of coal.
