## Money Stolen.

Between six and seven o'clock last evening a man and wife, living in the West End, locked their house with their seven-year-old boy left all alone in it and went down town. Returning they found the doors still locked and apparently untouched but later discovered that the sum of five dollars and a half in silver was stolen. Somebody must have entered through a window but the little boy who was in the house all the time had no knowledge of it and did not see anybody. The police are now working on the case. The police condemn the practice of parents going out and leaving children of tender years alone in a house, as very often fire occurs.

## Met With Accident.

Yesterday afternoon an American lady, a round-tripper on the S. S. Stephano, while taking a walk to Cabot Tower, on Signal Hill, to take in the sights there, met with mishap. She slipped and fell twisting and severely injuring one of her legs near the ankle. The ambulance was telephoned for in which the injured woman was conveyed to the Stephano and attended by a doctor.

## Prince Had Good Sport

The special train which went out with Mr. H. D. Reid, Mr. Beech, A.D.C., Dr. Mitchell and Mr. Herb Russell, and in charge of Conductor Howlett, arrived here at 10.30 last night. The party were away on the West Coast for 10 days and met Prince Albert with Commander Smith of the Cumberland and eight of the officers of the ship at Bay St. George. The train proceeded slowly along and the party fished all the rivers about, including Robinson's, Harry's River and other noted haunts of the trout and salmon. Excellent sport was had and 50 salmon were caught, Prince Albert landing his share and some of them were 20 pounds. Those who were with him on this excursion say he is a fine jolly young man, with no affectation of manner, and as the weather was ideal he has a most favourable impression of the country. Mr. Russell was the only one with a camera and took several snaps of the Prince alone and the party also.

## City of Sydney Arrives.

From the latter port the passage was made in thirty-one hours, which is the quickest run made this season. She brought one-half cargo and these passengers: Mr. and Mrs. J. R. McIsaac, Mr. W. B. Savin, Mr. J. Kelly, Mr. J. O'Reilly, Mr. Roy, Mr. Young, Mrs. M. McClellan, Mr. and Mrs. S. G. Dobson, Mr. A. Castle, Miss Castle, Mrs. E. Richardson, Miss M. Cleary, Mr. and Mrs. J. Moore, Mrs. Campbell, Mrs. Murray, Miss Lockhardt, Miss Ida Munro, Miss G. Booth, Miss S. Cairns, Dr. Russell, H. Tappan, Mr. and Mrs. G. Herr, Mr. and Mrs. H. James, Mr. M. Tobin, Mr. A. Small and three in steerage.

## Invermore Tows the Home

The Invermore, towing the disabled s.s. Home, arrived here at midnight. The ship had a good run up to Nipper's Harbor. She took the Home in tow Wednesday morning at 11 o'clock and had a heavy swell all the way up with ice from Twillingate, Long Point, to Stag Hr. Run, where the ship and tow remained that night until 3 a.m. Thursday and resumed the run. When the Home was backing out of Nipper's Harbor a pin in the revolving gear broke, the engineer lost control and the ship went stern first in on the cliff. The stern post was smashed but the rudder did not receive injury, though a part of one of the blades of the propeller was knocked away. The ship will be docked for immediate repairs.

## Fire This Forenoon.

At 9.30 this morning children in Mr. J. O'Neill's house, at the corner of Adelaide Street and Dummer's Lane set fire to the curtains, at the windows in the attic and in an instant the place was in flames. The fire burst out through the roof and it looked as if the house was doomed when the men of the city works, who were flushing a drain near, with their hose and in command of Sanitary Inspector John Beer, directed a stream of water on the blaze, and then forcing their way into the building hooded the blaze out. Councillor Martin, who was also on the scene, and officer Nugent, worked with a will, and all concerned in the matter deserve great praise. The sanitary men were drenched as they handled the hose. A good deal of the house was burned and some clothing and effects destroyed.

The Florizel leaves New York to-morrow for Halifax and this port.
