Dr. Chase's Nerve Food

Bay Bulls Honors Rev. C. A. McCarthy.
The departure of Father McCarthy from this parish has been marked by many incidents which testify to the popularity of that esteemed clergyman...

ADDRESS

To the Rev. C. A. McCarthy, from the Parishioners of Bay Bulls.
Dear Rev. Father,
On behalf of the people of Bay Bulls we ask your acceptance of the accompanying gift as a small memento of our esteem and good will...

REPLY:

My Dear People,
I wish to thank you most sincerely for this nicely worded address and generous gift which I have received from you this morning. Now that I am about to part from you I desire to thank you for the many kindnesses you have shown me during the past twelve years...

The address was read by Miss Lottie Carew and the presentation made by Miss Annie O'Driscoll.

Address From the Children of Mary, Bay Bulls, to Rev. C. A. McCarthy.

Dear Rev. Father,
On this the eve of your departure from us we desire to express how keenly we feel having to part with such a dear friend and zealous priest...

REPLY:

I am exceedingly grateful for this mark of appreciation for the little I have done for you. It was always a great source of pleasure to me to visit you here on Sunday morning and to hear you recite your Office. The memory of you and your thoughtfulness will always remain with me...

ADDRESS

To the Rev. C. A. McCarthy, P.P., from the Children of Mary, Willits Bay, Rev. and Dear Father,
We, the Children of Mary, are heart-broken at the thought of having to part with such a kind, loving Father who has taken such a deep interest in our spiritual and temporal welfare...

REPLY:

I thank you for your beautiful address and kind and generous present. I always took the greatest interest in the Sodality of the Children of Mary, knowing that under her guidance you will bring down blessings upon yourselves, your people and the parish...

ADDRESS

To the Rev. Charles McCarthy from the People of Willits Bay.

Dear Rev. Father,
It is with feelings of the deepest regret that we are gathered here this morning; thoughts almost rebellious seek expression on our lips, but then we know God orders all things right. Scarcely have our eyes been dried above the grave of our beloved Dean, that great and good priest who is honored in our midst so long, so faithfully and so well, whose loss has plunged this parish into gloom when now the sad news comes that you, too, are to be removed from amongst us...

the same harmony will prevail and that the same kind feeling between priest and people will always exist as has existed since the inception during the growth and progress of this truly Catholic parish. I am now going to leave you at the request of my ecclesiastic superior for another field of labor. In leaving you one of my greatest consolations is that I feel I am bringing with me the friendship and the affection of a people whom I love and that I will have your blessing and your prayers. I hope then that you shall be always happy and prosperous; that the Church will grow and prosper under future pastors, that God may bless you and all future generations who will be in this parish, that you will continue to advance both materially and spiritually in every possible way. I now bid you farewell and I give you my blessing. REV. C. MCCARTHY. Willits Bay, July 2nd, 1916.

INFLAMMATORY RHEUMATISM PERMANENTLY CURED

NEW BRUNSWICK LADY GIVES FULL PARTICULARS OF HER RECOVERY.

There are many types of rheumatism, but none worse than inflammatory. It was this kind that almost killed Mrs. Edw. Warman, of Kent Jct., N. B. Every known remedy she tried, different doctors gave their advice, but the disease increased. Weak and despairing, she was at her wit's end when the remarkable cure of Thos. Cullen was published. This gentleman was cured of rheumatism by "Ferrozone." Consequently Mrs. Warman used the same remedy. Here is her statement: "For five years I have been rheumatic. I tried various forms of relief without success. The disease increased, settled in my joints and muscles; these swelled, caused excruciating pain and kept me from sleeping. My limbs and arms stiffened, my shoulders were lame and prevented me from working. Week by week I was losing strength and I despair of finding a cure. It was a happy day I heard of Ferrozone. Every day I took Ferrozone I felt better; it eased the painful joints, gave me energy and a feeling of new life. Ferrozone cured my rheumatism, cured it so that not an ache has ever returned. Even damp weather no longer affects me. Ferrozone has power to destroy Uric Acid, neutralize and enrich the blood, and therefore does cure the worst cases. Mrs. Warman's statement proves this. By removing the cause of the disease and building up a reserve of energy, Ferrozone is certain to cure. Sufferer, isn't it about time to stop experimenting? Ferrozone is a CURE, order to-day, 50c. per box, or six for \$2.50, sold by all dealers or direct from The Catarhozone Co., Kingston, Ont.
