### MARTIAL LAW IN LUBECK.

BERLIN, July 2. Martial Law has been proclaimed at Lubek, owing to serious disturbances there. In the riots the police used their rifles and three persons were killed Wednesday. Citizens' Guard was called out and calm was restored by midnight.

### LIPTON WELL PLEASED.

SANDY HOOK, N.J., July 2. Shamrock IV, yesterday, was given a short spin under her new racing rig. The new rig resembles the Marconi rig, except that it carries a mainsail and a topsail. It allows the yacht to point higher. All sails set much better during the brief trip yesterday, and Sir Thomas Lipton said he was highly pleased with his try out.

### THE GREATEST ZEPPELIN MADE.

LONDON, July 2. The greatest Zeppelin ever constructed, the L-71, built in 1918 by the Germans for the purpose of bombing New York, was surrendered to Puharm airbase yesterday.

### NO PAPERS TO-DAY IN DUBLIN.

DUBLIN, July 2. The Typographer's Union called out their workers last night in consequence of newspapers refusing to accept a Union advertisement. No newspapers therefore were able to publish this morning.

P-E-B-E-C-O stands for PURITY, CLEANLINESS — and BEAUTY. — jne8, cod. 11

TO-NIGHT — C. C. C. Band Concert Victoria Park (West End) to-night, Friday, at 8.15 (weather permitting). — jly2, 11

PATIENTS BROUGHT BACK.—The patients who were removed to King George Hospital from the Jensen Camp yesterday, were taken back there last night, the danger of the camp burning out being averted.

COCHRANE POND FIRE OUT.—Sergeant Long, who with a number of helpers, was out near Cochrane Pond since Tuesday last, fighting forest fires, returned to the city to-day and reports the fires in that direction quenched.

## Diamond Dust.

The Editor.  
The Baseball Column.  
Care Evening Telegram.

Dear Sir.—Being a constant and extremely interested reader of your most interesting column, I cannot but fail to notice that whenever you seem to be lost for a subject it seems to be the custom, and a never failing source of amusement to have a "crack" at Harvey Thomas!

Now, personally, as an old follower of the game and as one who took a particular, personal interest at the commencement of operations, in the starting of ball in Nfld. I take off my hat to Harvey Thomas! Why? Because Harvey Thomas is the only man who has introduced new blood into Baseball in Newfoundland. The newly formed C.E.I. team (who so nearly trimmed our old friends the Wanderers last week), is a decided asset to the league, and I understand that it is due to the enterprise of our friend Harvey that this team has made its initial appearance into the arena this season.

Where is the rest of the new blood that should be coming along? Where is the Star Baseball Club that announced that it was going to be heard from a season or two ago? Where is the St. Bon's College team, the Field College team, the Methodist and the Presbyterian College teams, that should have been agitated by present ball players years ago, unless the present players intend playing till "they are with grey hairs carried to the grave"—or whatever the quotation is.

My recollections is that when the game was started in St. John's, the idea was that recruits for the different teams were to be obtained from the following sources:—

Wanderers—From Bank employees, Tobacco Company employees and from other more or less "transient" friends.

Red Lions—From employees of the Reid Newfoundland Company.

B.I.S. (and other Clubs)—From their membership roll.

Cubs (by the way, College Cubs)—From ex-pupils of the different colleges.

Instead of enterprise having been shown by the different team Managers by obtaining new blood from the above sources, what happens now is that when one or more real good sports—such for instance as Robertson, Chris Demers and Coke Cahill—who have played ball since the last time they were on earth, get transferred, her

from Canada, it resolves itself into whether Cocky Munn or Joe Murphy can put over the most "bull" as to whether these men join the Red Lions or the Cubs. By right they should go to the Wanderers, and Cocky should be getting his recruits from the R.N.C., and Joe Murphy (or Ern Clouston) from the Colleges. But, alas!

And when someone has the enterprise to organize a brand new team, all that he comes in for is polite sarcasm and humorous quips. Mr. Editor, have a heart and give Harvey Thomas the "boosts" to which he certainly is entitled.

Yours truly,

FUTURIST.

(Editor's Note:—If you had followed "Diamond Dust" closely you would have noticed that the genial A. Harvey was by no means forgotten in the bouquet showers from the pen of Yours Truly. True it is that we give him an occasional jab, but in this respect he differs not in the treatment accorded other managers. Why? We have such a high regard of his ability and skill in the managerial capacity that we even offered him our mighty services, and when he firmly but politely declined them without any explanation whatever, we know in our hearts that it was out of pure regard for us. At the same time we quite agree with "Futurist" that six Harvey Thomases in any game would be joy unclouded to its supporters, and his pep and enthusiasm in any project cannot be emulated.)

## Gower St. Troop Boy Scouts

Field Sports and Scouting Events.

The Field Sports and Scouting display of the Gower St. Troop of Boy Scouts took place yesterday afternoon on St. George's Field. There was a good attendance of spectators, and all were well pleased with the good work of the Scouts. The four Scout-masters of the Troop acted as officials. The events were run off without long delays, and were well contested. The Scouting events were Signalling, First Aid and Fire-lighting. Seven Scouts signalled the following message: "Gower St. Troop presents its compliments to the Governor." Two Scouts then sent and received the following message and answer: "Are the Scouts going camping?" "You bet they are." In the First Aid stretchers were made, and the following bandages put on: Head, Jaw, Broken Arm, Broken Leg, ten in all. The tug-of-war was won by A Co. In the football fives, however, the B Co. put it all over the A's. In the first half, with B Co. playing against the wind, A Co. scored one corner; in the second half with A Co. playing against the wind, a slow shot by R. Cave rolled into goal while the goal-keeper was at the other end, and a few minutes before time a fast shot by R. Munro scored the second goal. In the second game, Scoutmasters against Scouts, the Scout-masters won by a small score. His Excellency the Governor presented the prizes at the end of the afternoon, after a march-past and salute by the Troop. He expressed his great interest in the Scout movement, and congratulated Gower St. Troop on its good record. He also signified his intention of doing all in his power to make the Scout movement a success throughout the whole country. The Scouts replied to His Excellency's address by the Scout yells and three hearty cheers. The thanks of the Troop are due to the young ladies of the Sunshine Bible Class of Gower St. Church, who presided over the refreshment tables. The following is the list of events and winners:

100 yds. Junior, Hector Butler.  
100 yds. Senior, W. Curtis.  
Broad Jump, Junior, Eric Baggs.  
Broad Jump, Senior, R. Jardine.

Quarter Mile, Junior, W. Driscoll.  
Half Mile, Senior, W. Curtis.  
Wheel Barrow Race, Junior, M. Puddister, C. Fry.  
Tug-of-War, A Co.  
Points by individual Scouts were as follows: 20 each, W. Curtis, R. Munro, W. Driscoll, R. Jardine.

each, B. Mercer, M. Puddister, H. Butler, J. Mayo, R. Parsons, M. Whalen. Points by Patrols as follows: Hawks, 75; Lions, 45; Fox, 30; Tigers and Panthers each, 15; Owls and Peacocks, each, 5.

Points by Companies: A Co., 25; B Co., 190. Good work, B Co. But you must remember that a good many of the old reliables of A Co. were sweating over examination papers. However, A Co. will certainly have to look to their laurels.
