

intercourse not been entirely broken off you would have understood my character better and know that I am incapable of imposing on you. Besides, even though I were, what object could I have in so doing?"

"To annoy—to anger me. You know how I hate that low, beggarly rascal, Bruce, who snatched Long-Hair into that disgraceful marriage; and you come with this lie to annoy—to enrage me. But I will not listen to you—you have failed in your purpose, sir. They are all dead long ago—dead and forgotten. Now, go; and take with you the knowledge that your pitiful and despicable trick has miserably failed."

"Perhaps Captain Gibson will allow me to suggest that he may be mistaken," cried Garrett, suddenly starting up. "No authentic intelligence was obtained of the death of Kenneth Bruce, and I for one cannot think that Master Harry means to deceive us. Would it not be well, sir, for you to moderate your anger and hear further particulars?"

And as the factor spoke he darted at Stephen a keen, significant look, which made him pause as if staggered.

"But they must be dead," he went on.

"How should we have failed to learn tidings of them? Have we not again and again—have not yourself made every inquiry, and without—"

He was stopped in his impulsive and unguarded utterance by Garrett clenching him by the arm and dragging him into the embrasure of the window.

The inmates of Wandsworth work-house, to whom Australian meat has been lately served, have refused to eat any longer. On the days when the meat is served out they make their dinners off potatoes alone; and in consequence more than half the quantity provided has to be thrown away.

**BREAKFAST—EPPS'S COCOA—GRATEFUL AND COMFORTING.**—By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctors' bills. *Civil Service Gazette.* Made simply with boiling water or milk. Each packet is labelled "James Epps & Co., Homeopathic Chemists, London." Also, makers of Epps's Milky Cocoa (Cocoa and Condensed Milk).

A Clergyman writing to a friend, says, "My voyage to Europe has been repeatedly postponed. I have discovered the 'fountain of health' on this side of the Atlantic. Three bottles of Peruvian Syrup have renewed me from the fangs of the fiend, Dyspepsia." Dyspepsia should drink from this fountain.

Anemia, or depravity of blood, is a disease known by the extreme paleness or waxy appearance of the skin, lips and nails. Persons so afflicted always have dyspepsia, and are liable to hysteria, consumption, disease of the heart, convulsions, etc., consequent upon the withdrawal of material in the blood for nutrition of nerve. As *Fellows' Compound Syrup of Hypophosphites* will supply the healthy constituents to the blood and endow it with vitality, patients need not suffer from these diseases.

**THE REASON WHY**

Dr. Wheeler's Compound Elixir of Phosphates and Calissaya is called a Chemical Food and Nutritive Tonic, because Phosphates constitute more than half the material of the human body, and are absolutely essential to the growth of Bone, Muscle and Nerve, which cannot attain full development without them. They promote a good appetite, perfect digestion, create pure, healthy, vitalizing blood, and supply the waste constantly going on in the system as the result of mental and physical exertion. Being combined with Calissaya, the Peruvian Bark, the only specific for Chills and Fever, and that condition of Nervous Prostration and General Debility arising from low vitality and exhaustive diseases, it forms an elegant and agreeable, invigorating Tonic, purely physiological in its action, that may be taken safely under all circumstances, and all diseased conditions of the body, as it builds up the constitution in the same manner as our daily food.

Sold by all Druggists at 51.

**WISTAR'S BALSAM OF WILD CHERRY**

which can be cured by a timely resort to this standard preparation, as has been proved by the hundreds of testimonials received by the proprietors. It is acknowledged by many prominent physicians to be the most reliable preparation ever introduced for the relief and cure of all Lung complaints, and is offered to the public, sanctioned by the experience of over forty years. When resorted to in season it seldom fails to effect a speedy cure in the most severe cases of Coughs, Bronchitis, Croup, Whooping Cough, Influenza, Asthma, Colds, Sore Throat, Pains or Soreness in the Chest and Side, Liver Complaint, Bleeding at the Lungs, &c. Wistar's Balsam does not dry up a Cough, and leave the cause behind, as is the case with most preparations, but it loosens and cleanses the lungs, and allays irritation, thus removing the cause of the complaint.
