William Stewart's

MANUFACTURE OF COCOA.—We will now give an account of the process adopted by Messrs. James Epps & Co., manufacturers of dietetic articles, at their works in the Euston Road, London.—See article in Cassell's Household Guide.

Libel suits have been threatened against the Montreal Witness, Mr. C. J. Brydges and others, by Mr. J. L. Middlemis, of the firm of Murray, Middlemis & Co., the Commercial Agency of Canada, for misrepresenting his real estate transaction with the Local Government of Quebec. Should ever the matter come into the Courts it will doubtless be shown that Middlemis is merely the tool of some unscrupulous capitalist who does not wish his name to appear in the transaction.

The Great Western Railway Company richly deserves the thanks of the residents of Hamilton. They have instituted a series of "cheap Saturday excursions for the people." Every Saturday afternoon a cheap excursion train leaves the "Ambitions City" for some attractive spot not too far away, thereby giving the general public an opportunity to get away from the cares and toils of business for a few hours, at a trifling cost.

LEPROSY.—This loathsome disease, so long considered incurable, has found a master in Fowle's Pile and Humour Cure. Sister Reed, Lady Superior of Hotel Dieu Montreal, writes:—"All those Lepers who have used your remedy have experienced a decided improvement, and two patients affected with Leprosy have been so far cured as to be let out of the Hospital." See special notice.

Mr. J. Lothrop Motley is again in London with improved health, though his physicians still forbid anything like mental effort. He says, laughingly, that he knows of no greater effort than to get through some of the novels he is allowed to read. He walks about, using a cane, goes out to dine, and is in fair condition for any quiet hilarity.

Special Notices.

IT IS NOT WHAT YOU EAT BUT what you digest that makes you strong. Unless the food taken is perfectly dissolved, assimilated and converted into pure blood, general nervous and physical prostration inevitably result; the whole system is impoverished; degeneration of the organs and tissues follows, and if there be hereditary predisposition to scrofula or consumption it will surely be developed and the constitution gradually broken down. The foundation of good health and a sound mind is a vigorous stomach and perfect nutrition. Dr. Wheeler's Compound Elixir of Potassium and Calisaya is Nature's own remedy for derangements of the digestive organs, purely physiological, harmless, and positively certain to restore nervous and muscular force.
