OAKVILLE NOTES

The services in Turner A.M.E. Chapel were well attended last Sunday, it being rally day. The Pastor preached at 11.00 a.m. to a good assemblage. At 3 p.m. the Rev. Dr. Allen, of Hamilton, preached to a fine gathering. The Rev. Allen is a soul stirring preacher and his text was taken from John 3:16 "For God so loved the world that he gave His Son." We feel that we should like to sit under the voice of Dr. Allen more frequently. It makes our hearts overflow with love to the Almighty, for he is a power for God. We were glad to hear him and to see him looking so well. We were made to say "Did not our hearts burp while he spake to us by the way."

We will be able to give our rally proceeds after Aug. 14th.

At 7 p.m. the Pastor preached a short sermon, and then called on his sister, Miss Graine, to give an address on Tuskegee. As Miss Graine has been a teacher of Tuskegee for many years she was in a position to give us a real interesting address on "The Life of Booker T. Washington, and the Present Condition of the School." Miss Graine is a very interesting speaker and she is able to teach the people of the north more than we can ever expect to know about the south.

The whole day was spent in friendship and rejoicing.

We were glad to sit under the voice of Superintendent Drake, and we hope that he will call again and visit our town. During the few hours that the Rev.
