

Dyspepsia

Makes many lives miserable, and leads to self-destruction. Distress after each meal, headache, heartburn, sour stomach, indigestion, etc., are caused by this very common and increasing disease. Hood's Sarsaparilla cures the stomach, creates an appetite, promotes healthy digestion, relieves sick headache, restores the mind, and cures the most obstinate cases of dyspepsia. Read the following:

"I have been troubled with dyspepsia. I had but little appetite, and what I did eat distressed me. I did not sleep, and in an hour after eating I would experience a faintness and all-gone feeling, as though I had not eaten anything. Hood's Sarsaparilla did me a huge amount of good. It gave me an appetite, my food relished and satisfied the craving I previously experienced. It relieved me of my indigestion, all-gone feeling. I have felt so much better since I took Hood's Sarsaparilla, that I am happy to recommend it." G. A. PAGE, Watway, Mass. N. B. Be sure to get only

Successful Year for the New York Athletic Club

Interesting Skating Contest in Prospect—Good Suggestion from Nova Scotia.

ATHLETICS.

Cullins, an American, was only beaten a yard by Burrows, the English winner, in the New Year's Sheffield handicap. It is said \$100,000 depended on the result, and that Cullins' friends lost a tenth of that sum.

The annual report of the New York Athletic Club shows a membership of 2,722. The club's treasurer thus summarizes his report: The outstanding obligations of the club amount to \$200,979 71; assets, \$424,890 05; surplus, \$103,910 94; an increase in the surplus of \$1,052 10, which, with the \$17,960 24 written off buildings and furniture, indicates a total gain for the ten months of \$19,013 14. The expenses of the leading sports in the athletic department amount to some \$26,000. The club divided \$4,100 among its employees in the shape of Christmas presents.

FOOTBALL.

Nearly all of the football associations in England have placed soldiers in uniform on the free list, and Tommy Atkins, who is usually a great lover of sports, will be able to indulge in a game without cost. The Welsh Football Association will admit free soldiers in uniform below the rank of sergeant. The Scottish Association, however, says it has no power to grant such privileges.

BILLIARDS.

An electrical pool table is the latest electrical novelty. The buttons are so arranged in front of the pockets that when a ball rolls into the pocket it strikes the button and the point made is recorded by an annunciator on the wall of the room. The same principle has been applied to a pin-ball table. Push buttons are arranged in the place of the pockets of the pool table, and the balls passing over the buttons record the counts on the annunciator, and the score is kept automatically and accurately.

THE TURF.

An association to be known as the Hamilton Park Association, with Hendrie as leading spirit, is to be formed. Thirty-five acres will be laid out for race tracks, of which there will be two—one for driving and one for running.

A San Francisco paper states that J. Malcolm Forbes, of Boston, who has agreed to buy Senator Stanford's Palo Alto, the 2-year-old Electioneer colt that made the world's record of 2:10 on the Stockton track a few months ago.

James Dustin, the well-known trainer and driver, who recently accepted a position at the head of Senator Stanford's Palo Alto stud, has resigned. Dustin expected at least \$200 a month, but when he was offered \$1,200 a year he quit on the spot.

The Grand Rapids meeting from Aug. 9 to 14 inclusive promises to be the greatest that city ever saw. The purses for the five days aggregate \$50,000, including \$10,000 for the furniture stake in the 2:30 class trotting on Aug. 10, and \$20,000 for a free-for-all stallion trotting race on Aug. 12.

BASEBALL.

The internal dissensions of the Brooklyn Baseball Club in regard to the Brotherhood and League, have been amicably settled.

SKATING.

Sidney P. Spencer, the champion long-distance roller skater of Australia, and Louis H. George, of Rochester, champion of the world, have agreed to skate a race of six days for \$3,500 a side, the entire gate receipts and the championship belt of the world, to take place in December, 1892. They have deposited \$1,000 forfeit money each.

CURLING.

A suggestion comes from Nova Scotia that 28 rinkmen from Ontario and Quebec make a journey down to St. John, N. B., or Halifax next month and play a dual interprovincial curling match.

At present there are 42 organized clubs in the United States under the name of the Grand National Curling Club of America.
