The Rose of Wentworth

CHAPTER XXVII.

True to her promise, Lady Elaine went the next day to see her protegee, if such Jane Collins could be called; and she continued her visits to her as long as she was an invalid, always carrying and watch eagerly for her coming. lier than usual, taking as her offering some great, luscious oranges. She had already carried her all kinds of fruit, but this afternoon she had seen these unusually fine ones, and their fair. golden beauty had tempted her to buy them more than anything else. As she passed the basket to Jane, up- way,"

on her entrance to her room, she took one, and, after looking at it a moment,

name. "Were you in Madrid last sum-

berish. I'd give much to know that she got well, and is all right again."

She was such a young thing, too, to be finally left her a bit comforted. neglected by her wretch of a hus-

"Husband! What, was she married? and neglected when she was ill?" cried Lady Elaine, beginning to lose color at this point of the story. "Yes, leddy. It's a sad story. The pretty child left England a bride, and went traveling from place to place with husband, who seemed to have a grudge against her for something, and wouldn't let her go home, though she gave out entirely and he couldn't pay their bills. Then he got reckless and didn't care, and he wouldn't work nor try to support her. She didn't tell me all this, ver leddyship; I found out a live so, and if he wouldn't work to take

din' present, but she were savin' it to by his work. with; and one day, when she went to see the consul to get him to put her in thor and physician, whose long life Kinsley, 2 to 1, 3. Time, 1:31. room and stole all her jewels and her that she took threw her into a dreadful fever, and she was at the sickest when I had to leave her.'

her listener. entered port at Valencia on this voy- medical profession. age, John saved the cap'n's life, and so. when we landed, he told us we should have a holiday, and go where we liked the vessel was being loaded up. We thought we'd like to travel about a bit, and we went up to Madrid for a look at the city, and one day we thought English consul. While we were waitin' to see him this pretty young thing comes into the waitin'-room and sets right down in front, of us. I was that stardown in front, of us. I was that stardown in front of us. I was that the use of us. I was that the use of us. I was that the use of heart would jump out of mouth, for she was the perfect image of a beautiful leddy that we picked up at sea once. She and her husband had been shipwrecked coming home from India, and they had lost their baby-'Baby Allie, the poor mother called her, with such heart-breaking names that they have rung in my ears ever since.' Oh! who were they?" Lady Elaine cried, with almost breathless eager-

"Ah, leddy, I can't tell ye; but this young girl looked so exactly like the beautiful leddy that John and I fell to talking about it and she heard us She turned as white as a ghost as she looked around at us and asked us would we please tell her who we were talking about, for she had been lost coming home from India during a shipwreck, and there was some puzzle about her parents and who she were"

"It is Arley-she is telling me about Arley!" Lady Elaine cried to herself, her teeth almost chattering from nervous excitement. She had half suspected it before-now she was sure. But she restrained her impulse to speak of it and listened eagerly while Jane went on with her story.
"We told her," she said, "that we
