CONDON. THURSDAY, JUNE 24. THE CANTEEN AND THE CAMP.

held this summer all go to ally sober and orderly. We know as so in London; Niagara, Bruced and other camps make the same ement, and this year the prohibi-

has been a disputed question ilitary authorities that if a canteen high ideal they invoke. authorized, the men will get their liquor in camp, that they can be limed in their drinks to weaker beverstronger and more harmful liquors, is certainly undesirable that the

chough such a result would be pos- without regard to the interests of the camps this year does not sustain this brought about until machinery is profor their liquor; and yet drunkenness representation of the constituency was, at all events, not any greater quently regardless of the filing of a an in previous years, and in some cases decidedly less. The fears of the friends of the canteen do not appear no to have been realized.

that their business was better this they have prevailed at all. Not that their business was better this frequently such petitions are filed year. That might be. There will alwithout any knowledge of such of ways be some men in camp who will fences, and, indeed, without the comdrink, and if they cannot get the liquor that party advantage in the inevitable In the canteen, they will go outside for it to the advantage of the hotelkeeper. No one has suggested that the closing of the canteen will make all the men total abstainers. The only question has been whether, if they have to go to the hotels for liquor they will drink more than if they could get all they wanted in Grey Ghost Covers Distance on camp. The experience of this summer goes to show that they will not. And if that is the case, the experiment was justified, and should be continued.

CANADIAN VS. U. S. METHODS.

The manner in which the Dominion department of railways and canals is Fine Weather Brought Out Big Crowds now dealing with the wreck in the Soo Canal locks signally illustrates the modern Canadian way of doing things, and sets an example of efficiency in governmental methods which United States journals are compelled to admit is worthy of being copied on covered the distance on the half mile Snodgras, s. s. that side of the border.

The Syracuse Post-Standard is par-property and imminently threatened Third race—Running, half mile, purse vastly greater damage. When Washington was appealed to, a day or more under the control of the c to which particular federal depart
Miss Felix, br. m., Chas. Farr, London. was lost in grave discussion of governmental jurisdiction, and finally, though the damage, actual and impending, steadily grew, tardy word came from the national capital that there was no money available and nothing could be done.

Meantime, Governor Hughes, of New York, recognized the emergency, and commendably irreverent of red tape, gave peremptory instruction to the proper state officials to "blow out the ice gorge with dynamite." Thus it happened that while the devotees of official regularity in Washington were left to 5. Third race—Berkley, 9 to 10; Hill Top. 2 to 5; Footpad, even. Sixth race—School Marm, even; Cel-Brooklyns. Scores:

First race—Julia Powell, 16 to 5; Sir light the devote state of to 1.

Second race—Waterspeed, 2 to 7; Implement the second, which went to proper state officials to "blow out the lice gorge with dynamite." Thus it happened that while the devotees of light regularity in Washington were lighted to 1.

Second race—Waterspeed, 2 to 7; Implement the second, which went to Brooklyn 5 to 1. A batting rally in the seventh inning against Covalinski, 1 to 4.

Fight race—Summer Night, 15 to 1; Inditator, 7 to 1; Affliction, 1 to 4.

Fight race—Summer Night, 15 to 1; Inditator, 7 to 1; Affliction, 1 to 4.

Sixth race—School Marm, even; Cel-Brooklyns. Scores: Meantime, Governor Hughes, of New York, recognized the emergency, and official regularity in Washington were laret, 4 to 5; Coon Skin, 1 to 4. still uncertainly scratching their heads. the gorged Niagara channel had been cleared and an appalling danger re-

The Post-Standard considers the two incidents worth pondering, as they serve to demonstrate that there is no basis for the charge of "slowness" sometimes made in the United States against Canadians. As to the methods of the charge of the ch

cuse paper says the charge is not and never has been true. "We of the United States," it continues, "should commercial and agricultural competition need to know, that there is no more practical or businesslike administration of public affairs in any country on earth than is consistently illustrated in the administration of Readers of The Advertiser are requested to favor the management by noise of trumpets, without any lost reporting any irregularities in delivery. motion, there has within recent years been created in the Canadian Northwest a veritable new agricultural world; 10 while the transportation facilities of the Dominion from sea to sea have ... 25 increased in efficiency and achieve-

DOCTORING BY CONTRACT.

[New York World.] That American family will be best served by its physician which arranges with him for yearly services, which indicage, III.—Chicago Newspaper Agentuicage, III.—Chicago Newspaper is ill or not. A doctor so employed is the family's private health officer. He sees insanitary conditions and orders them changed. He drops a word about the gospel of the open window. He gets acquainted with the members of the family. He notices from little Bobby's squint that he ought to wear glasses, which Bobby's fond mother might not have found out in years. He sees in time tendencies that might lead tuberculosis, or warns an overwrought that the men have been excep-girl out of school in time to prevent a nervous breakdown.

"MADE IN CANADA."

[Montreal Herald.] It is given out that the manufacturers of Canada are about to take up of the canteen has been most with renewed vigor the publicity camictly enforced. Is this a case of with the object of securing the favor of Canadians for goods "made in Canada." The moment, it seems to us, is well chosen for such a movement, and nether the exclusion of the canteen it is in every way probable that large om camps would tend to sobriety or numbers of people will respond to the appeal if only the manufacturers reverse. It has been held by some themselves are careful to live up to the

AS TO SAW-OFFS.

[Brantford Expositor.] The announcement that almost all the petitions filed against the suciges like beer; and that they can be cessful candidates in the last Dominion elections have been withdrawn has in getting runs. The score: under better control. If they ion elections have been the agitation led to a renewal of the agitation being get the liquor in camp, we against saw-offs, the contention being are told, they will go to the nearest that the result above referred to has been brought about by negotiations bar, and will drink more, and will use between the two political parties. It investigation and punishment of corand as a result, there will be more rupt practices in political elections should depend almost entirely upon the action of the men, who, presum-Theoretically, we confess, it looks as ably, have been guilty of them, and state or of political morality. A bet-But the experience of our ter condition of things will never be vided which will punish offences com-The men had to go out of camp mitted at elections regardless of the against the sitting member At the same time, it is only fair say that the filing of a petition doe no necessarily mean that corrupt practices have prevailed to a greater o have been realized. extent in the constituency concerned than in other constituencies, or that sent of local politicians, in the hope
