READ THIS INTERESTING COMMENT:

"We returned from Toronto last Saturday after six days' visit, and refused a loaf of Toronto bread, knowing that we had a loaf of Aloafa Bread which had been bought prior to leaving London, and knew that it would be fresh when we returned. We were not disappointed, as the FRESHNESS AND FLAVOR WAS THERE, even though the loaf was six days old."

They were not disappointed, and thousands of others are just as confident.

TRY A LOAF

You will not be disappointed. The nutritious elements and natural flavor will prove both appetizing and wholesome.
