MARK LANDING PLACE OF FRENCH PRIESTS AT LONG POINT, 1669

Ontario Historical Society
Plans Erection of a Monument On the Spot.

ST. CATHARINES, Ont., June 8.—The 25th annual convention of the Ontario Historical Society opened at Niagara-On-The-Lake today, and will conclude at Niagara Falls, Ont., tomorrow night. Dr. J. H. McLaughlin, president of the society, in his annual address, stated that interest in historical matters was increasing in this country and he thought the time not far distant when every city and county in the province of Ontario would have its local historical society. General Cruikshank suggested that the society undertake the publication of the official and semi-official correspondence of the lieutenant-governors and administrators of Ontario, with annotations.

Plans were submitted to the convention of a proposed monument at Long Point, Port Dover, on Lake Erie, to commemorate the visit there in the winter of 1669-1670 of Father Dollier and Father Gailne, French priests, who embarked at Long Point on their way from Montreal to Mackinaw.

H. P. Gardiner, a former superintendent of the institute for the blind at Brantford, and for a number of years previously editor of the Hamilton Times, paid a tribute to the late E. B. Figgis, author of "The Battle of Stony Creek." A committee was appointed to prepare a resolution of appreciation of Mr. Figgis.

Early in the session a resolution of condolence to General Cruikshank, president of the Ontario Historical Society, on the death of his wife, was passed.

The addition will be of steel construction. The junior member of the firm is Aid. J. E. Gardiner.

BROW STRESSES FARMERS' RIGHT TO HYDRO POWER

North Middlesex M. L. A. Discusses Problems of Farmer-Labor Government.

OLD PARTIES SLING MUD

Use Press To Discredit U. F. O., Says Lobo Union Picnic Speaker.

Memorial Park, Poplar Hill, was the rendezvous Wednesday afternoon and evening for a throng that numbered nearly 4,000 persons, who were attracted there, not only from the township of Lobo, but from the City of London, and from the adjoining townships of Westminster and Delaware. The occasion was the annual union school picnic and old boys' reunion of that township. With ideal weather prevailing, the outing eclipsed any previous gathering of a like nature in the vicinity of Poplar Hill, and due credit must be accorded the various officials and committeemen in recognition of the splendid program of entertainment proffered.

The most impressive event was undoubtedly the formal opening in the afternoon, the grand parade of the children, followed directly by the flag-raising exercises. Singing along to the stirring strains of the Western Ontario pipe band, the pupils, representing every school of the district, including the Continuation School, Coldstream, paraded through the park to the flagpole. As they lifted their voices in the patriotic air of the Maple Leaf, the Union Jack was slowly elevated to its position.

Col. Robson is Judge.

It fell upon Col. Robson of Vankeke to judge as to the best appearing school in line a task of no mean proportions. The final result was announced as follows: 1. No. 7 School Section, Bear Creek, Lobo, Miss Florence Caverhill, teacher; 2. No. 3 School Section, Miss Jean Grey, teacher; 3. No. 10 School Section, Poplar Hill, Miss Johnston, teacher; 4. No. 5 School Section, Dewar's, Miss Dale, teacher. First prize for best appearing float in the procession was won by No. 10 school.

During the afternoon Jas. C. Brown, M. L. A. of North Middlesex, spoke briefly. "You do not know naturally," he said, "what kind of a government the U. F. O. would make. But I believe today that throughout the province the people realize just what we have achieved. I am certainly proud at this moment to say that Premier Drury is one of the most popular public men in this province. You may like to know why the Government's expenditure has been so great. Our party came into power when the cost of living was the greatest in the history of the country. We came into power after the public institutions had been neglected during the war. This necessitated the expenditure of much money. We came in as green men in politics, and we have not got the power of the press behind us. What is happening? The other parties are digging up all the mud they can and through the medium of the press are trying to discredit us in every way."

The speaker touched for several minutes upon the hydro-electric problem, laying stress on the statement that the farmers had not been squarely dealt with.

"We tried to legislate law in this respect and what happened? Why? The Lethbridge bill was killed in the House. They are spending millions of dollars for hydro, and yet of the rural districts are deriving no benefit thereof. Hydro belongs to us, as well as Toronto and other large cities."

John Lethbridge, M.L.A., for West Middlesex, and Dr. Hugh Stevenson, Labor M.L.A., London, spoke in the evening along similar lines.

Interest in Sports.

Particular interest was manifested in the splendid program of afternoon races. Every event was well contested. Following are the results:

50 yard three-legged-race for committee members—Ross McGugan and A. McIntyre, Neil Campbell and Frank Ladel.
100 yards, boys, 13 years and over—Howard James, Percy Tuckey, Fred Waugh.

225-yard relay race, for girls—Irene Barbour, Lena Jeffery and Vera Smith; Ethel Nichol, Agnes Ross and Annie Scott; Hilda Charlton, Eva Shipley and Norrie Shipley.
100-yard three-legged race, for boys, 10 and over—George Joyce and Orville Harris, Will Tunks and Al. Jeffery, Milton and Kenneth Campbell.
50-yard dash, for boys, 10 and over—Court Carmichael, Campbell Vail.
25-yard sack race, boys, 10 and under—Duncan Campbell, Lorne Vale.
The 50-yard dash for boys under five years of age proved unusually speedy, with Archie Fletcher romping in front, closely pursued by Leslie Zavits and Graham Campbell. The Carmichaels

HUME CRONYN IS CHOSEN AS ARBITRATOR

London's Member of Parliament Third Member of Arbitration Board.

TORONTO, June 8.—Hume Cronyn, M.P. for London, Ont., was chosen today by Sir Adam Beck and Sir Thomas White as the third arbitrator to decide the amount to be paid by this city for the street railway system when the city takes it over on September 1 next. Mr. Cronyn notified Sir Adam Beck, after he had considered the matter for a while, and had consulted his business associates, that he would accept the position of independent arbitrator. Mr. Cronyn will be chairman of the board of arbitrators.

Mayor T. L. Church and Manager R. J. Fleming of the Grand Trunk Railway Company were notified this evening of the selection of Mr. Cronyn. It is probable the arbitration proceedings will be begun shortly.

That Lobo Township residents are interested in the popular summer pastime, baseball, was evidenced by the hundreds of "fans" who stationed themselves in the vicinity of the ball ground and remained throughout two as classy exhibitions as even the most fastidious sports expert would wish for. The scores of both games speak for themselves.

In the afternoon the Poplar Hill collection suffered defeat after a hard struggle with Smith Bros' team of old Lobo boys from Detroit, score, 10 to 2. The game was played on the ninth inning for the home club, and it looked for a few minutes as if an old-time "garrison" finish would be staged.

The line-up for Poplar Hill: R. McQueen, s.s.; A. Fletcher, 2b; C. Swales, p; B. Swales, r.f.; M. McArthur, 1b; Al. Chapman, 1b; J. Evans, c; L. Lang, 2b; Hammond, m.; Wilson, m.; Stewart, r.f.; M. Fletcher, sp. J. McGugan, p. Detroit—N. Campbell, 1b; McCormick, 3b; M. Smith, 2b; Forner, m.; V. Smith, s.s.; A. Smith, 1b; C. Smith, f; Heintzman, m.; Harkman, p; Lewis, sp; Campbell, sp.

Score by innings:
Poplar Hill 000 000 002—2
Detroit 002 002 000—4
After the first inning a Stratford contingent clinched with the Appin nine, winning out in nine innings by 6 to 3. The contest was full of interesting play throughout. J. Campbell umpired the double-header, with the greatest satisfaction to all participants and spectators.

An excellent entertainment of high class music was presented in the evening, with the following participating: The Brunswick Orchestra, Mrs. Fred Schofield, soprano of London, "Joek" Ballantyne, London, and the Western Ontario Pipe Band.

Dean Fox of Western University, London, presided.

CRITICISM ERRED ON SIDE OF LENIENCY, DECLARES ENGINEER

Grand Trunk Arbitration Hearing On Wednesday Occupied With Cross-Examination.

MONTREAL, June 8.—Cross-examination by Grand Trunk counsel on his strongly adverse criticism of Grand Trunk and Central Vermont bridges, Lieut.-Col. C. N. Monsarrat, inspecting engineer for the Government, stated that if his evidence erred in any way that it was on the side of leniency. The morning session of the arbitration commission, sitting to inquire into the value of the Grand Trunk system for living expenses, was today taken up with Lieut.-Col. Monsarrat's evidence and cross-examination upon it.

In the afternoon hearings were continuing details of the Grand Trunk case, so as to supply further data demanded by the Government and were without special interest.
