CCLARYS EASILY DEFEATS STRATHROY; PHILLIPS MAKES STRIKE-OUT RECORD

eir defeat of last Wednesday, when terday afternoon they defeated the rathroy team in the third of the county ampionship series by a score of 12 to 1.

"Rube" Deneau was the central figure the game of a week ago, but he was badly shattered hero at the conclusion of yesterday's game, and in his ead reigned "Skin" Phillips.

As in the case of the big Windsor tcher in the previous game, Phillips as the whole show yesterday. The cClary southpaw pitched the game of s life. The Strathroy boys could do ttle with his delivery, and until the th innings, when he slackened up perptibly, but one man had reached first ase, and that on an error.

Phillips established what is probably strike-out record for Tecumseh Park, nning no less than 15 men.

Deneau, on the other hand, was hit apionship series by a score of 12 to 1. nning no less than 15 men.
Deneau, on the other hand, was hit
and often. In only one innings did
e locals fail to hit safely. At times
was fairly effective, but he showed
woeful lack of form, as compared with
s work of a week ago. He was not
ren good support, the team behind him
ing apparently bothered by the sun
id, which interfered with their work

interest shown in the results. The track, after the showers of the last two night, was in perfect condition, and the weather was all that could be desired.

Every heat in class "A" was a race from wire to wire, and the fact that each of the three starters secured a heat shows the quality of the racing that was presented. But Round Goes to Wingham C. L. A. Juniors by Six Goals.

Wingham, Ont., August 30 .- (Special.)-St. Mary's lacrosse team played off the second game in the junior series with Wingham to-day and lost by three goals to two. Wingham having won at St. Mary's by seven to two, this leaves Wingham the victors on the round by wingiam the victors on the round by six goals.

A special train brought the outside club here, accompanied by a few supporters. The game was very interesting from start to finish, from a spectator's standpoint, being free from roughness and fast and exciting. A feature which amused the crowd of to-day's programme at the Grand very much was the peculiar tactics adopted by Lancaster, of St. Mary's, in checking Coady. He followed Coady around like a collic after his master, and it restrictly programme at the Grand Circuit meeting. The unfinished Park Brew stakes of yesterday however, were decided. Edwin C. defeating Allerson for and it practically resulted in the game 567 being played with ten men a side.

539 shot in the first quarter. Wingham
514 evened up before half time and got an-505 other in the third quarter, both teams 478 scoring in the last quafter. All the 423 players put up a good game, but if the 559 St. Mary's goal keeper had played an St. Mary's goal keeper had played an ordinary game the score would have been much larger for the Wingham team.
