## THE UNHAPPY SULTAN.

Report That He Has Been Poisoned-He Has Received Numerous Significant Warnings.

Palace Spies and Police Watching and that their joint armies should occupy Night and Day-Lives of Ministers Threatene i.

LONDON, Nov. 19.-It is only a week since, according to a Constantinople diapation patch, that a mysterious letter was laid on the Sultan's table, giving him the alternative of abdication or assassination, and now a dispatch from Sofia, Bulgaria, states that Abdul Hamid has been poisoned, it is believed by the young Turkish party. This At Aleppo it is hoped the worst is over and lieved by the young turner proven to enor-organization has recently grown to enor-in European Turkey. The death of Rustem Pasha, Turkish am-The death of Rustem Pasha, Turkish an-

since the execution of some of their number by being dropped from a gunboat into the generous disposition were appreciated by Bosphorus. Moreover, the trouble with the Armenians and the attitude of the Powers have been used to their utmost to the disadvantage of the head of the Faithful. The correspondent of the Daily News announces that the Sultan has been so upset

by the recent turn affairs have taken that another nervous fever has set in, and that he is now so sick he only devotes two hours daily to public affairs. The young son of the Sultan is always with him.

The Sultan has lately developed symptoms of a monomania hardly disguishabl from insanity, and it is not unlikely that he will meet with the same fate as his brother, the former Sultan, and thus simplify the work of Earcpe. The Sultan has prohibited the entry into

Turkey of all papers containing accounts of Lord Salisbury's speech at the lord mayor's dinner at London a week ago.

that the constitutional party professes no personal animus against the Sultan, comaining only against him on account of his odious misgovernment. The constitutional party should not be confounded with the young Turks' party. The members of the a very distinguished distant correspondent, will be one of the Canadian delegates. constitutional party say they desire only if I may term him so, who requested me to rational government by peaceful meens. They have never cared for vengeance or for make a statement in a speech to the count wife murderer, J. R. Hooper, and finds

Armenians is due to the fact that the Porte desires to distract attention from the Moand day in Constantinople, but this does not hall, on the occasion of the Lord Mayor's the IO.F., was nominated as the Conservaprevent the revolutionary movement from spreading. ple are deceived. The Armenians are be

ing exterminated. The violence of

are caused by the Armenians, who were instigated by their revolutionary committee. The result was a terrible revenge on the part of the Turks in the shape of horrible

nsesacres of the Christians." LONDON, Nov. 20 -The correspondent of the Daily News at Rome says that Austria proposes that the combined fleets of Russia and Austria should force the Dardanelles, Constantinople, if necessary. To these pro-positions Russia declined to agree.

The correspondent says it is reported in official circles that, in view of the possible disruption of Turkey, Russia and Great Britain are negotiating an agreement which will give the Czar a free hand for the occuor annexation of Anatolia, while Great Britain will have the right to establish a permanent protectorate over Egypt.

No news of fresh disturbances in Asia tan numerous significant warnings. Its bassador to London, which occurred early this morning, has been anticipated for some time. His demise is generally regretted in

official circles, as his upright conduct and all. His good qualities were feelingly re-ferred to by the Marquis of Salisbury in an important speech made yesterday at Brigh-ton before the National Union of the Con-torday almost to tumble over each other, so great was their anxiety to pay their taxes. They have, moreover, undertaken to organservative association.

### THE SILVEB QUESTION. SALISBURY'S SPEECH

The Warning to the Sultan as Un relenting as the Circumstances Were Cruel."

Responsibility of the Powers to Finally Solve the Terrible Armenian Problem.

it than ours, but the great investors of the world appreciate the difficulties under which LONDON, Nov. 20.-Continuing his speech we are laboring, and until these difficulties before the National Union of the Conservative Association on Tuesday night, Lord Salisbury, the British premier, said :--"The fundamental vice in our currency Some persons seem to imagine that we, system is the legal tender note redeemable in coin by the government and reissnable under the law. There are other defects, but the people of Great Britain, can dispose of all the decisions of all the European powers. this threatens the stability of the whole volume of our currency. The proposition This is crediting us with more influence than we posseas. Whatever is done must that a promise of the government to pay be done with unanimity, and we can only money is money, is just as absurd as the speak in behalf of one of the powers which proposition that a promise to deliver a horse will concur, if the powers do concur, in any is a horse, and yet there are eminent men, high in public councils, who believe tha United States promissory note is actual action which may be taken. I will not admit that the responsibility of any of the decisions taken rests entirely or mainly on money and that the statute which compels decisions taken rests entirely or mainly on this country. The responsibility is upon us, and upon all the powers in common. All those who have the responsibility must act is constitutional and ought to be continued "The agitation for free coinage of legal together, so if there are others who cannot

Minister was a remarkable tribute to the influence which Lord Salisbury holds in fields of Alaska, though not yet made Europe. The Times adds that it may be public, is said to be very favorable. He doubted as to whether the Sultan will be says that the coal of Alaska has a commercial greatly pleased with the result of his apfuture. ce Lord Salisbury declines to act

The district court convened at Juneau on Monday last and will be in session probably The Standard says that the pathetic sina month. No cases of great importance are cerity of the letter to Lord Saliebury will gain for the Sultan the sympathy of all Englishmen. The only effect of the Sultan's A litt to be heard, save those of the Indian

A little Indian boy is on trial for killing letter and Lord Salisbury's speech is to con-firm the prime minister's judgment as to the two Indians while drunk at Dyes about three months ago. The little fellow after being set drunk l.y those whom he murdered chief responsibility for the breakdown of the government of Turkey. The Morning Post, in an editorial this got possession of a rifle and accomplished the awful deed of which he is now accused.

The weather at Juneau is the rainiest ever norning, says that it must be admitted that known in the history of the place. Lord Salisbury's warning to the Sultan was as unrelenting as the circumstances were T. Constantine Healy, an employe of the

N. A. T. & S. Co., leaves Juneau in Decembruel. No one can fail to be struck by the ber with mail for Forty Mile, on the Yupathetic dignity and frank earnestness of kon. Last winter Mr. Healy brought out the first locked Canadian mail from Fort Cudahy. Some idea of the trip can be realized when it is stated that 730 miles of the distance between Juneau and Forty-Mile has not the shadow of civilization Jimmie Jackson (native) leaves Juneau December 1 with mail for the A. C. Co., on

the Yukon. The Chronicle says that so undignified and childish an act is unprecedented in the Cooper leaves Yukon January 15, bringhistory of the diplomatic world, and adds ing out mail from Circle City-180 miles bethat the Sultan's repentance probably comes low Forty Mile.

### THE PACIFIC CABLE.

LONDON, Nov. 19 .- In the conference at HAVANA, Nov. 20.-The Diario del Ejerthe colonial office this morning between Rt. Hon. Joseph Chamberlain and the repre-sentatives in London of the several British colonies, it was shown that the project of Great Shame and a Great Misfortune." the Pacific cable presented a fair prospect of Among other things this editorial said : " A future remuneration. The suggestion of a sorrowful spectable is presented to the eyes commission meets with the output and it was subsequently of the watching world. After all Spain's proposed to constitute one of six, two each sacrifices made to combat the enemy in Cubs, she finds her chief enemy among her Australia. Mr. Chamberlain, during the own people on the island." The editorial then refers to the reformists raising internal The editorial course of his remarks to the deputation which called upon him regarding the pro-posed Pacific cable, said that such a project In the state of the second state of the sec Francisco yesterday.
