unconstitutional, is looked upon as in the Conservatives hold the reins of government.

Omineca and the reace river countries, which are best reached by the Cariboo road, will attract much attention next countries. very bad taste. But Mr. Bayard regards the contest now going on in the United States as so serious and involving such important issues that he considers that he ought not to be deterred by considerations of diplomatic etiquette or by states as a large and practically show this to be true, so true that if a party leader were to tell the people that, if they put him in power, wheat would be always a dollar a bushel and Milling Company, of Otlawa, and the Victoria hydraulic, represented by Manager Black. will give that country a well It is needless to say the letter is an able as well as a patriotic one. Mr. Bayard is an eminent statesmen as well as an is an eminent statesmen as well as an is an eminent statesmen as well as an accomplished scholar, and anything that he thought fit to write on the issues of the present contest would be certain to be respectful attention by a little man who would promise to keep like the present contest with the present contest would be certain to be respectful attention by a little man who would promise to keep like the present contest would be certain to be respectful attention by a little man who would promise to keep little man who would promise littl

He is equally earnest in warning the readers of his letter against the evils to the common weal that must necessarily follow the adoption by the nation of the policy advocated by Mr. Bryan and the policy advocated by Mr. Bryan and the that forms as long as the laws he propolicy advocated by Mr. Bryan and the leaders of the party to which he belongs. That figure as long as the laws he proposes to enact should remain in force?

Wait for work next season, instead of spending what they have earned this season, on a visiting trip to some other section. Capital will go into Cariboo next season—it is He is convinced that it is the duty of every Democrat in the Republic to oppose that policy to the utmost of his ability. After pointing out the vicious poses to enact should remain in force? Yet the man who makes this absurd promise with respect to silver is, by millions in the United States, regarded as a sustended for a short time has required. nature and the ruinous tendencies of the patriot, a statesman and a deliverer. Of suspended for a short time has resumed

rightfully exercise it by its legislative flat to create values, and, regardless of their intrinsic or commercial value, to invest one or the other of the earth metals with any arbitrary power as money and override and alter at legislative will or caprice the ratio of the exchange-

true nature of the policy advocated by the leaders of the silver party. Very few of them, no doubt, see clearly the tendency and the consequences of the doctrines they teach. Many of them, knowing that the cause of cheap money is popular, do not wait to consider whether it is sound or not. What they are after is office, its power and its emoluments, and if they can secure them they care of the policy advocated by the leaders of the policy advocated by the leaders of the policy advocated by the leaders of the silver party. Very few weak. We beg now to state that denote the development of the vast after that development of the vast mineral weakth of this region.

A fair amount of game comes up from the grain ranches below. Geese are plentified to the grain ranches below. Geese are plentified in the full control of the vast mineral weakth of this region.

A fair amount of game comes up from the grain ranches below. Geese are plentified in the full prescribed by scores of orthodox practions. A fair amount of game comes up from the grain ranches below. Geese are plentified by scores of orthodox practions. A fair amount of game comes up from the grain ranches below. Geese are plentified in the grain very little about the means they take to tiated utterances of Tom, Dick or Harry accomplish their purpose.

Very many of those who support the al reputation of men of high character silver orators and cheer them until they and good standing. are hoarse, have not the remotest notion of what will be the result of putting into effect the policy they approve so enthusiastically. They will not listen to reason. They impute all sorts of motives to those who oppose the free coinage of silver, and regard them and speak of is expected to arrive in this city on the them as the enemies of their country. 26th to attend the Conservative confer-They are deaf to the voice of common ence which opens on the 27th.

sense. It does seem as if they were given over to strong delusion that they should believe a lie. It is to be hoped that these multitudes will be saved way, which at times seems not unlikely, the evils which Mr. Bayard and other thinking men predict will, we are satisfied, come upon them like a flood.

#### BEYOND ITS POWER.

Someone has said that it is not in the power of governments to create value. 20 This seems to us to be so true that proof

#### AGAINST CHICAGO PLATFORM.

New York, Oct. 19 .- Hon. Wm. Mc. Adoo, assistant secretary of the navy, has written a letter to W. J. Curtis, member of the National Democratic committee of New Jersey, on the election issue. The letter is in response to requests for a public expression of his views Mr. McAdoo regrets that he is unable to support the Chicago convention, nominees and platform, because he is thoroughly convinced, he says, that the doctrines therein are unsound and dangerous and would work incalculable injury to the whole people of the repub-

### MISSING WINNIPEGERS.

Winnipeg, Man., Oct. 19.—On Wednesday morning of last week two young men named Martin Groselle and Leslie Valentine started to cross Gull lake in a General Founders, Engineers, canoe. Since then nothing has been heard of them and it is believed they been drowned. On Friday their canoe was found on shore, and on Saturday the hats and other articles belonging to the missing men were picked up.

# CHLORODYNE.

Vice Chancellor Sir W. PAGE WOOD stated publicly in court that Dr. J. COLLIS BROWNE was undoubtedly the inventor of Chlorodyne, that the whole story of the defendant Freeman was literally untrue, and he regretted to say that it had been sworn to.—Times, July 18, 1864 DR. J. COLLIS BROWNE'S CHLORODYNE IS THE BEST AND MOST CERTAIN REMEDY IN COUGHS, COLDS, ASTHMA, CONSUMPTION, NEURALGIA. RHEUMATISM, &C.
