londay morning by the Rev. John Henry Boyd for the custody of his infant children. The judge remarked that there was nothing n the evidence to show that the applicant was more than eccentric and eccentricity of was more than eccentric and eccentricity of character alone was not sufficient to deprive a father of his common law right to the guardianship of his own children. It had also been contended that he had not means to support the children, but it was shown that he had an occupation and an income which might afford necessaries tor the chil-dren. His lordship therefore made the order to transfer the children to their father's ustody, with the previso that the mother is to have frequent access to them, and also to have frequent access to them, and also ordered that the children should be brought into court and formally transferred if neces-Latest Business Troubles. the Provincial Association-Officers were finding employment wherever they could was not quite correct. The strike Cohevild, Oct. 27. - The eighteenth an- although the chances appear in fever of the nual provincial convention of the Sabbath workmen, as evidenced by a letter, written school association of Canada opened here to the operative plasterers' union yesterday, and the writer says he was threatened with this afternoon. The retiring president, J. retribution if he did not join the Master W. Beynon, B.A , occupied the chair. The presbyterian church, a beantiful structure, Plasterers' association, and that it was altogether owing to this that he connected him-self with them. That the men are finding work in and out of the city is true, but not at the disposal of the sonvention, and the filends here have decked the platform with choice plants and flowers, while the wall at the sacrifice of present scale of wages of behind is ornamented with banners and apthe abnegation of union principles Should the exodus of plasterers con propriate motioes. The convention was opened by devotional exercises conducted by Rev. D. L. McRae, after

Should the exonus of plasterers may ultimately find a difficulty in finishing up such work as they have in hand before the frosty weather sets in. So far the strikers have been firm, not a man having shown any inclination to which the retiring president delivered his valedictory. He urged fuller organization in both Ontario and Quebec. Verbal recave in." The letter referred to above is as follows ports were given by delegates from various

To the Operative Plasterers' Union: SIR: I do hereby resign being a member of the master plasterers' association, and do ignore their resolution. NICHOLAS MAGER, Clinton street.

Labor Notes.

The bricklayers laborers' union last night voted \$75 to the striking plasterers and \$25 to the laborers on strike at the Malleable iron works, Oshaws. Several of the plasterers have left the city to take jobs, some having gone to Oshawa. Messrs. Armstrong, Thomas and Lorden,

members of the organization committe of the Trades and Labor council, have visited the plasterers, laborers and bricklayers unions, with a view to making an arrange-ment for nutual recognition of cards, so that a member of one laborers union may enter another without fresh invitation.

The City Sidewalks.

The most important matter that the board of works now have to deal with is turn up at the first sector, put in appear ance and conducted a praise service of song. The professor is a stout, good looking Ameri-en with a moustache and imperial. He gave the audience some pretical sugges-tions on hymn singing, and made a good the question of sidewalks. The appropriation of the board is now abcut exhausted, tion of the board is now abcut exhausted, and many of the city sidewalks are in a wretched condition. Daily claims are com-ing in from people who have injured their limbs by falling over broken or uneven sidewalks. The board of works got desper-ate yesterday, and after cajoling the city commissioner a little, that officer said he wou'd look into some of the prospective commit ees and see if some of them could tious on hymn singing, and made a good impression as a pleasing vocalist and a man of "sanotified common sense," as an old minister present put it. His wife accom-panied him on the organ in fitting style. D. C. McHenry, the president elect, in taking the chair made a splendid speech. He held that the Sunday school platform was one on which more christians of different creeds could meet than any other. An address of

wou'd look into some of the prospective commit ees and see if some of them could not be varied to the sidewalk's account. The commissioner will put on his financial spectacles and report to a special meeting of the board on Friday. which more christians of different creeds could meet than any other. An address of welcome was delivered by J. Henderson of Cobourg. He thought the hospitality of the townspeople was more eloquent than any words he could say. As parents, teachers and citizens, they welcomed the delegates. Wm. Johnston of Belleville re-plied on behalf of the visitors in a sparkling address. Some of his points were exceed-

for a few days. Readers will readily per-ter of the board on Friday. Browsht Home Drunk with Two Deep Cuts. At 9.30 last night a coupe drove up to the door of W. C. Riddell, No. 60 Georre a yourg man named Robert Greenlees, who boarded in the house, out of the coupe, placed him in the hallway and drove rapidly off. Greenlees was helplessly drunk. An examination showed that he had two cuts, over the left eye. They were deep cuts. Dr. Oldwright was called in and ordered his plied on behalf of the visitors in a sparking address. Some of his points were exceed-ingly well put. Principal Nelles spoke upon the Sabbath school as an author zed and fruitful field for the working power of the church. He held that the Sunday school was the main religions for exatematic religi

Granted.

Briven Insane Through Love It may be noted as a curious circum-Jane Fulton, aged 30, a well-dressed, stance that Stott, in conversation with Guard Stafford the other day, remarked that he (Scott) did not think the guard's rifle was loaded. Stafford said he had betnice-looking woman, arrived at the City Arms hotel, West Market street, yesterday evening from Chesley, in the county of evening from Chestey, in the county of Bruce. Her strange sctions alarmed Harry Keeble, the proprictor, and he handed her over to Policeman John Cuddy, who took her to headquarters. The woman showed every symptom of mental derangement, but She said he had better not try to escape, or he might get shot. This is a fitting sequel to the fate of John McCabe who escaped from the penitentiary at Kingston and was shot dead by a Con-stable Rankin at Port Hope the other day. her to headquarters. The woman showed every symptom of mental derangement, but was very quiet. She said she had a married sister hamed Mrs. Kirkwood in Listowel. She informed the sergeant in charge that her malady was caused by a love affair— that her young man had proved false.

THE MERCENARY MARRIAGE OF MISSES. BROWN AND YOUNG

The Marriage Aid it is well known Is lying sick a-bed, But Young and Brown have tried to put A pillow 'neath its head.

Now Young he no spring chicken is, As will full soon be seen, And as for Brown I'll tell you this

He's anything but green. A little more than one year back

They bachelors were both, But soon each to a willing maid A-plighted her his troth.

They hadn't much to marry on, At least that's what is said, For Young he very poor was, and wn hadn't got a red.

So then did j in the Marriage Aid, Each enterprising youth, And they both fully did believe,

The agent told the truth Now just about this time there was

A feeling of great joy, For someone was prese A pretty baby boy.

The ragamuffin can not tell, Which one the infant brung Perhaps the kid it was young Bro It may have been young Young.

But they like very wise young men

So they conspired together, and,

Concern it was quite straight

They wanted for to hold it up,

Until they two had skipped

And then they'd not have been,

And so the whirlpool . Aris good frie

Determined that they would if possible, get out of it As well as e'er they could.

A letter they did write

Unto the papers saying the

So very badly nipped.

Let's hope that you and I

Will safe escape the vortex of

The Ragamuffin don't believe

Patent instalment plan.

SAFE OVER THE SEA.

NOI MUCH CHANGE.

-The Ragamufin

All this rascality.

Each gentleman full well did know That he was in for it. The Aid Association had Him very badly nipped.
