

A. E. MINKLER & CO., 4 KING-STREET EAST.

We desire to direct the attention of investors generally to the following first-class properties we offer for sale:

Block of Eight Thousand feet, in the Brockton addition, either en bloc or in lots to suit purchasers; very reasonable terms. This property, owing to its close proximity to every Railroad leading into Toronto, with its suburban train facilities is rapidly becoming the manufacturers choice and the home of the artisan.

Block of Four Acres lying one hundred yards North of Bloor-Street; between the Northern and Grand Trunk Railways, with small house and stable, over One Thousand Feet Frontage. Very Cheap.

The Trustees of the Toronto General Burial Co. have instructed us to offer that very desirable property lying between Mount Pleasant Cemetery and the Reservoir, a short distance East of Yonge-street, containing about

FIFTY-THREE ACRES.

It is Beautifully Situated on the extreme height of ground and commands a grand view of the City. If desired we will sell it in parcels of Five Acres each.

Queen-street west, near Bay, 38x104, with two two-storey rough-cast stores adjoining the handsome four-storey building now being erected for a furniture warehouse.

South-east corner Bridge-road and South-drive, Rosedale, 170x170. A most desirable site for a fine residence.

Northeast corner South-drive and Centre-road; building lot about 70x140. \$3000.

Jarvis-street, No. 375; lot 44x300. One of the prettiest residences on the street; fourteen rooms, handsomely decorated and papered; Hot water, heating grappery; stable and carriage house. Owner having left the city for an indefinite period this property will be sold very cheap.

Plans of the property offered en bloc can be had on application at our office.

THAT'S DYED,

And badly dyed. Many garments, both Ladies and Gents, often take by their appearance. This should not be if taken to the right place and intelligently done. The Good Dyeing Dyer and Cleaners work looks like new; in fact, many times our customers have returned with their friends to have their goods done, declaring they thought their friends' clothes were new.
