lng a Common Betting House and Sent To Jail,

In the General Sessions yesterday after noon James Giles was found guilty of keep to two months in jail with hard labor.

Frequenters of the local rooms, friends of the seven prisoners and a sprinkling of the uninterested formed the crowd that filled the court room all day. In the dock sat James Giles, Frank Brintnell, Harry McLaughlin, Roy Irving, James McPherson, John Reid and O. Culming.

It was decided to take up the case against James Giles, the proprietor of the alleged pool room, singly, and that those against the employes will be heard afterwerds.

wards.

Inspectors Archabold and Stephens and Police Officer Daniel Robinson told how the rooms were run and Constable Robinson said that he had put \$1 on Major Thornton. Major Thornton was beaten by a head and the officer lost his money.

Local Manager Hogarth of the G.N.W. Telegraph Company said that the commissions were forwarded to the track at Roby, Ind., and that one day's business amounted to \$286.

thd., and that the top to \$256.

Mr. Giles, a very wide-awake-looking gentleman, wearing a natty spring suit and overcoat and a straw hat, was called in his own behalf. He said that all his "commissions" were sent to the track and were there placed by an agent.

olaced by an agent.

Mr. Dewart in cross-examination expressed much interest in the inner works of Mr. Giles' commission room.

I ask you, Mr. Glies, what is the wealthy corporation that is behind you?—A. I decline to answer.

Mr. Murdoch objected strongly and Mr. Dewart wished to press his question, but Judge McDougall held that it was not relevant to the issue.

Mr. Murdoch announced that his client had at his back a wealthy corporation, but would not tell what the corporation was. In this he was upheld by the judge.

Mr. Murdoch addressed the jury at length, claiming that the commission business was a perfectly legitimate one. His Honor charged in favor of the prosecution, and at 6 o'clock the case went to the jury. At 7.10 they brought in a verdict of guilty. Mr. Murdoch asked for a reserved case but was refused, and Judge McDougall sentenced Giles to two months at hard labor. The other six were discharged, His Honor directing the bringing in of a verdict of not guilty.

e. vible Experience of a Liverpeol, N.S., Man—Fell a Victim to III Health— Discusses His Illuess and the Remedy That Cured Him. We have heard of many instances in our locality, says The Liverpool, N.S., Times, where much benefit has followed the use of Dr. Williams' Pink Pills, and lately one

where much benefit has followed the use of Dr. Williams' Pink Pills, and lately one of our citizens. Mr. J. F. Jayne, has been so much benefited that his case is worthy of special mention. To the editor of The Times Mr. Jayne said that he had suffered very much and frequently felt like giving up. His whole system was badly run down; his blood thin and watery, and the least exertion completely used him up. It is appetite failed him, and a feel-g of almost continual drowsiness but on the good in such cases, but without any beneficial results. Hearing of Dr. Williams' Pink Pills, he procured a couple of boxes, and before the second was gone he felt the beneficial effects. He continued their use until he had taken seven boxes, by which time he felt better than he had been in years. To use Mr. Jayne's own words, he said: "The result following the see of Pink Pills was really wonderful. I feel better than I have in years, my, appetite has returned, the drowsiness and lassitude which formerly made me miserable have disappeared, and I feel as though new blood were coursing through my veins. I think Dr. Williams' Pink Pills should be kept in every family, and, havirg felt their remarkable virtue in my own case, I cannot too highly recommend them."

An impoverished condition of the blood or a disordered condition of the nerves are the fruitful sources of most ills that affect mankind, and to any thus affected Dr. Williams' Pink Pills offer a spedy and certain cure. No other remedy has ever met with sueh great and continued success, which is one of the strongest proofs that Dr. Williams' Pink Pills offer a spedy and certain cure. No other remedy has ever met with sueh great and continued success, which is one of the strongest proofs that Dr. Williams' Rink Pink Pills accomplish all that is claimed for them. Sold only in boxes bearing the firm's trade mark. They are never sold in balk, and any dealer who offers substitutes in this form should be avoided. These pills are manufactured by the Dr. Williams' Medicine Company. B

A large number of ladies and gentlemen managed by some means to gain admission to the building, and during the march past, the physical drill and many other manouvres; their applause was most enthusiastic. The riding of the Royal Dragoons, and the Governor -General's Body Guard and the field batteries of artillery were excellent, whilst the marching of the infantry selected from the different corps would do credit to the regular forces of Her Majesty's army. All the features on the program have now been fully rehearsed in the may hall and all arrangements for the tournament are now perfect. The doors will open at 7 o'clock and the band of the Queen's Own Rifles will to-morrow evening give a short concert previous to the comencement of the Tournament at 8 o'clock. On Friday evening the Royal Granadiers' Band will do the same, at the Saturday matinee the Royal Canadian Infantry and on Saturday evening the Asth Highlanders will repeat the program. These bands will also play for the various displays on their respective evenings.

AND CHICAGO WEAK.

The world's visible supply of wheat decreas-4,500,000 bushels the past week. Bradstreet r ports a decrease of 2,626,000 bushels in t United States and Canada.

Wheat made another record to-day. The May option at Chicago sold down to 55c, the lowest on record for that option. Exporters say that Chicago and Ontario prices will have to go 5 to 8 lower, or else British prices will have to davance correspondingly before a profitable export trade can be done.

The local money market is unchanged at 4½ to 5 per cent. At Montreal the rate is 4½ at London 1 and at New York 1 per cent. The Bank of England discount rate is 2 per cent, and the open market rate 1½ per cent.
