JAY EATS IS COMING.

Toronto's Old First Base with the Syracuse Stars. Manager Kuntz of the Syracuse Stars wired from Erie yesterday that Jay Eats, the old and well-known Toronto player, would be along with his team for the two games over the Don next Monday with Varsity.

Eats was here in '87, when Toronto beat out Newark for the championship. Every one remembers the two games on Erie, when late in the season when Eats pitched Toronto to the top in both and Jay did some heavy hitting.

The Varsity nine are playing good baseball at present and expect to at least make the professionals hustle to win, if they don't capture one of the two games. Netherly and Henderson will do the twirling, while Fitzgerald will be behind the bat. Morning game at 10, afternoon at 4.

The Canadian Amateur Baseball Association is now in full swing.

The association last year had 19 clubs in all, 13 seniors and 6 juniors in affiliation. This year they have 11 seniors, 3 intermediates and 7 juniors, 26 clubs in all. The Western, taking in the best towns of last year's Western Interior and Central League. The Midland League is stronger than last season. In both the attendance at games is very large and shows that the game is fast catching in Canada. President Ward has done good work in Toronto in organizing four leagues, two intermediates and two juniors. Efforts have been made to get the Georgian Bay League to join the C.A.B.A., but have been unsuccessful so far.

The following is the standing of the Canadian Amateur Baseball Association League to date:

PAST TIME AT SHEEPSHEAD BAY.

Dobbin does the Mile in 1.40 Flat—Mr. Walter Defeat's horse in the Long Island Handicap.

New York, June 28.—The weather at Sheepshead track to-day was very pleasant. The track was dusty but fast. Dobbin went a mile in 1.40 flat, which is within two-fifths of a second of the track record.

Hamilton Trotting Races.
The excellent program for the three days' racing to be given by the Hamilton Trotting Club, under the auspices of the Jockey Club, on their new regulation mile track Saturday, June 30, and July 2, 3, promises high-class sport, with many fine horses and excellent drivers.

Outside the stake and purse events, already filled with the best horses in Canada and the United States, the club will have a match race for \$1000 between C. J. Hamlin's Nightingale, 2:10 (Hamlin), and R. Cope's Stinson's famous stallion Geneva, 2:14.

On the following day C. J. Hamlin's great trotting mare, the 2:10, will be matched against the world at three years, and the pacer, Robert J. 2:05, will give exhibition miles to the spectators.

The inter-club races between Argonaut and Leander oarsmen and scullers will take place to-morrow, starting at 2 p.m. The events will include three four-oared contests between the winning and second crews of the respective spring races, and between the club's representative fours.
