**Whooping Cough, Croup, Bronchitis

Cresolene is a boon to Asthmatics
Does it not seem more effective to breathe in a
remedy to cure disease of the breathing organs
than to take the remedy into the stomach?
It cures because the air rendered strongly anti-
septic is carried over the diseased surface with
every breath, giving prolonged and constant treat-
ment. It is invaluable to mothers with small
children.
Those of a consumptive
tendency find immediate
relief from coughs or in-
flamed conditions of the
throat.

Agnes Repplier's Favorite Recipe.
Miss Agnes Repplier, the essayist, is
extremely fond of tomatoes, prepared in
almost any manner. In her opinion,
however, there is no better way in which
they can be cooked than to bake them
after the method set down in the follow-
ing recipe: Four two tablepoonsful of
the purest olive oil into a baking dish.
Add four tablepoonsful of grated bread
crumbs that have already been mixed
with parsley and other herbs, all of which
must have been chopped very fine. Sea-
son with pepper and salt. Upon this
bed of oil and crumbs lay a dozen toma-
toes that have been cut in halves. Cover
them with four more tablepoonsful of
bread crumbs that have previously been
seasoned in the same way. Pour over all
two more tablepoonsful of oil and send
the dish to a hot oven, where the toma-
toes must bake for about one hour.—

Catarrh Cannot Be Cured
with LOCAL APPLICATIONS, as they
cannot reach the seat of the disease.
Catarrh is a blood or constitutional disease,
and in order to cure it you must take in-
ternal remedies. Hall's Catarrh Cure is
taken internally, and acts directly on the
blood and mucous surfaces. Hall's Catarrh
Cure is not a quick medicine. It was pre-
scribed by one of the best physicians in this
country for years and is a regular prescrip-
tion. It is composed of the best tonics
known, combined with the best blood puri-
fiers, acting directly on the mucous surfaces.
The perfect combination of the two ingredi-
ents is what produces such wonderful re-
sults in curing Catarrh. Send for testimo-

are what use people up.
Most people live pretty well up to the
limit of their powers, and so long as
everything goes smoothly that is
apparently all right; but a "jolt" or
a "jar" in the shape of business
worries, domestic anxieties, or an
attack of La Grippe, Pneumonia,
Typhoid, or other wasting disease,
suddenly reveals the fact that there is
a sad lack of reserve force to meet
these contingencies and the result is
serious, often fatal. A wise man will
see to it that his system is fully
fortified against sudden attack. To
attain this result nothing is so sure

**CANADIAN INVENTOR'S EXPERI-
ENCE.**
Interesting Incident by a Famous
Patentee.
Mr. Wm. Wilson of Cragie, Villa, Lon-
don (Ont.), the inventor of the Wilson
Fruit Case, now adopted by the Canadian
Government, tells an interesting expe-
rience which shows the healing and antiseptic
value of Zam-Buk, the herbal balm. He
says: "I had two poisoned wounds on
my leg, which were very sore and in-
flamed. They caused me much pain and
suffering, and although I tried several
salves they refused to heal. Zam-
Buk was recommended, and I applied
some. It acted splendidly and in a very
short time healed the wounds."
"At another time I sustained a nasty
cut. Zam-Buk took away the soreness al-
most instantly and soon closed and healed
the wound. I have also used Zam-Buk
for other injuries, and I have no hesi-
tation in expressing my high opinion of
its value. It is, without doubt, a splen-
did household balm!"
Zam-Buk cures blood poison, cuts,
bruises, old wounds, running sores, ul-
cers, boils, spring eruptions, scalp sores,
eczema, itch, barber's rash, burns, scalds,
and all skin injuries and diseases. All
druggists and stores sell at fifty cents a
box, or from Zam-Buk Co., Toronto, for
price. Remember it is purely herbal!

MIDDLE LIFE

**A Time When Women Are Susceptible to Many
Dread Diseases—Intelligent Women Prepare
for It. Two Relate Their Experiences.**

The "change of life" is
the most critical period of
a woman's existence, and
the anxiety felt by women
as it draws near is not
without reason.
Every woman who ne-
glects the care of her
health at this time invites
disease and pain.
When her system is in
a deranged condition, or
she is predisposed to apoplexy,
or congestion of
any organ, the tendency is
at this period likely to be-
come active—and with a
host of nervous irritations,
make life a burden. At
this time, also, cancers and
tumors are more liable to
form and begin their de-
structive work.

Mrs. E. Powless
I took it for five months and then off and
on until the critical period had passed, and it
restored me to perfect health. My advice
to suffering women is to try your Vegetable
Compound, and they will not be disap-
pointed."—Mrs. E. Powless, Deseronto, Ont.

Such warning symptoms
as sense of suffocation, hot
flushes, headaches, back-
aches, dread of impending
evil, timidity, sounds in
the ears, palpitation of the
heart, sparks before the
eyes, irregularities, con-
stipation, variable appetite,
weakness, inquietude,
and dizziness are promptly
heeded by intelligent wo-
men who are approaching
the period in life when
woman's great change may
be expected.

Lydia E. Pinkham's Vegetable Com-
pound was prepared to meet the needs
of woman's system at this trying period
of her life. It invigorates and strength-
ens the female organism and builds up
the weakened nervous system.

For special advice regarding this im-
portant period women are invited to
write to Mrs. Pinkham, at Lynn, Mass.,
and it will be furnished absolutely free
of charge. The present Mrs. Pinkham
is the daughter-in-law of Lydia E. Pink-
ham, her assistant before her decease,
and for twenty-five years since her advice
has been freely given to sick women.

Read what Lydia E. Pinkham's Com-
pound did for Mrs. Powless and Mrs.
Mann:
Dear Mrs. Pinkham:—
"In my opinion there is no medicine
made for women which can compare with
Lydia E. Pinkham's Vegetable Compound,
and you have no firmer friend in the Domi-
nion than I am. At the time of change of
life I suffered until I was nearly crazy, and
was not fit to live with. I was so irritable,
irregular and nervous that I was a torment
to myself and others. I surely thought
that I would lose my reason before I got
through, when fortunately an old friend
recommended your Vegetable Compound.
Lydia E. Pinkham's Vegetable Compound Succeeds Where Others Fail.

Another Woman's Case.
Dear Mrs. Pinkham:—
"As I owe my splendid health to Lydia
E. Pinkham's Vegetable Compound, I am
very pleased to write and tell you my expe-
rience with it. I am the mother of three
children grown to womanhood, and have
safely passed the change of life, and feel as
young and as strong as I did twenty years
ago, and I know that this is all due to your
woman's friend, Lydia E. Pinkham's Vege-
table Compound. I used it before my
children were born, and it greatly assisted
nature and saved me much pain during the
change of life. I took it, off and on, for
four years, and had but little trouble and
sickness that most women have to endure."
—Mrs. James K. Mann, 806 Balthurst St.,
Toronto, Canada.
What Lydia E. Pinkham's Vegetable
Compound did for Mrs. Powless and
Mrs. Mann, it will do for other women
at this time of life.
It has conquered pain, restored health,
and prolonged life in cases that utterly
baffled physicians.

Don't.
Don't ask the editor to publish a list of
wedding gifts.
Don't add to the torments of death by
tacking several stanzas of doggerel to a
death notice. Don't crowd the mourners.
Don't lug old clippings into a news-
paper office and tell the editor you have
brought him "something to fill up with."
Take him a cabbage it is more filling.
Sitting in the end of church pew, don't
get up to admit others. Move along.
Don't kick a man when he is down, un-
less you are sure he will never get up
again.
Don't put lard on a man's shoes, when
you see him "going down hill." They
are already greased for the occasion.
Don't pray with the hungry man until
you have given him something to eat.
Prayer without pork availeth not.

Frozen to Death.
Kenora, April 4.—A boy named McMil-
lan, aged about seven years, strayed away
from his home on Ridout street last even-
ing, and was found this afternoon by some
boys frozen to death. The little fellow

had evidently started to walk over the
rocks toward town and got lost. The
family had only been here a short time
from Scotland.
