**A Magistrate's Wonderful Experience With Zam-Buk.**

Mr. J. E. Arsenault, a Justice of the Peace, and station master at Wellington, on the Prince Edward Island Ry., has had a wonderful proof of the healing power of Zam-Buk. He says: "Four years ago, I had an accident. I slipped in the station and fell on a freight truck, sustaining a bad cut on the front of my leg. I thought this would heal, but instead of doing so it developed into a bad ulcer and later into a form of eczema which spread very rapidly and also started on the other leg. Both legs became so swollen and sore that I could only go about my work by having them bandaged. My doctor said I must stop work and lay up.

"After six months of this trouble I consulted another doctor, but with no better result. I tried all the salves, liniments and lotions I heard of, but instead of getting better I got worse.

"This was my condition when I got my first box of Zam-Buk. Greatly to my delight that first box gave me relief. I continued to apply it to the sores, and day by day they got better. I could see that at last I had got hold of something which would cure me, and in the end it did.

"It is now over a year since Zam-Buk worked a cure in my case, and there has been no return of the eczema or any trace of it.

"Such is the nature of the great cures which Zam-Buk is daily effecting. Purely herbal in composition, this great balm is a sure cure for all skin diseases, cold sores, chapped hands, frost bite, ulcers, blood-poisoning, varicose sores, piles, scalp sores, ringworm, inflamed patches, cuts, burns and bruises. All druggists and stores sell at 50c. box, or post free from Zam-Buk Co., Toronto, upon receipt of price.

**States That Parisian Sage is Best Hair Tonic.**

"I had a bad case of dandruff. My scalp was full of dandruff and it came out thick and scaly. My hair came out badly; often I nearly cried on account of losing my pretty head of hair.

"I heard of **PARISIAN SAGE** and only had to use two bottles, before the hair stopped coming out, the scalp became clean, and all the dandruff disappeared. The hair became silky and one big reason endorsed its use and am glad to do it."

**EXPECTED DEATH ANY DAY**

Another Case Where Life Was Saved and Health Restored by "Nerviline."

It is because he feels it his solemn duty to tell to the world his faith in Nerviline that Victor P. Hires makes the following declaration: "For three years I was in the Royal Mail service, and in all kinds of weather had to meet the night trains. Dampness, cold, and exposure brought on sciatica that affected my left side. Sometimes an attack would come on that made me powerless to work. I was so nearly a complete cripple that I had to give up my job. I was in despair, completely cast down because the money I spent on trying to get well was wasted. I was speaking to my chemist one day, and he recommended "Nerviline." I had this good liniment rubbed on several times a day, and got relief. In order to build up my general health and improve my blood I used Ferrozone, one tablet with each meal. I continued this treatment four months and was cured. I have used all kinds of liniments, and can truthfully say that Nerviline is far stronger, more penetrating, and infinitely better than anything else for relieving pain. I urge everyone with lumbago, neuralgia, rheumatism, or sciatica to use Nerviline. I know it will cure them."

There isn't a more highly-esteemed citizen in Westchester than Mr. Hires. What he says can be relied upon. For six years since being cured he hasn't had a single relapse. Don't accept anything from your dealer but "Nerviline," 50 cents per bottle, trial size, 25c; sold everywhere, or The Catarhoxone Co., Kingston, Ont.
