A FULL GROWN Bear was shot on Saturday morning last, on Saint Andrews Island, by Mr. JOSEPH McLENNAN. It is supposed he crossed to the Island by the Bar, as one was seen a few days ago on the Commons. It was brought over to the Market Wharf and exhibited—weighed 252 lbs., and was 7 feet 6 inches long.

INQUEST.—An inquest was held on Wednesday last, before DAVID MOWAT, Esq., Coroner, on the body of a seaman, which was identified as the Cook of H. M. S. *Satellite*, who, it was supposed, jumped overboard during the night, while the ship lay on the Ballast ground. Upon the body were found \$16 in silver, and 1s. 4d. in copper. Verdict—"came to his death in attempting to swim from H. M. S. *Satellite*."

Vice-Admiral Sir Thomas Harvey is ordered to Quebec, to reside at a Court Martial on Com. Drew, on charges preferred against him by Capt. Sanderson, for quitting his station without leave of absence.

CARRION.—Bills purporting to be of the St. Stephen's Joint Stock Banking Company, of Saint Stephens, N.B., are in circulation—names of President and Cashier fictitious. The Bills were engraved by the New England Bank Note Company, and well calculated to deceive. They are worthless.—*Eastport Sentinel.*

Frederickton, July 25.

It being understood that the Governor Gen. would visit Frederickton, a public meeting was held on Wednesday, and it was determined to make such arrangements for his reception as the limited notice would permit, and the capabilities of the community command. Accordingly the shops were closed at one o'clock on Thursday; and about 3 o'clock the 36th Regt. marched out of barracks, and lined the streets from Regent street to Government House, a guard of honour composed of the Grenadier Company of the 36th and the York Light Dragoons having been drawn up in that leading from the landing.

About 4 o'clock, the New Brunswick made her appearance; and in a few minutes the Governor-in-Chief and the Lieutenant Governor entered one of Sir John's carriages, and proceeded to Government House.

A temporary stair case had been erected at the wharf, ornamented with evergreens, and surmounted by a crown; along the streets through which the cortege passed, trees had been planted, flags bearing various devices were also displayed, and salutes were fired by parties of Artillery stationed at each termination of the line. The bells commenced ringing immediately after the steamer had in sight, and there was every demonstration of respect and welcome exhibited in all directions.

Yesterday afternoon there was a Levee at Government House, which was fully attended; and in the evening there was a Ball in honour of His Excellency's arrival.—*Sentinel.*

Mr. Featherstonhaugh arrived here on Thursday from Halifax.—*Id.*
