Hands Across Border

long way from South State Street. Anyway what I'm driving onel J. S. Dennis, officer command in g the west

Who has been loaned by Lord Shaughnessy as Com-manding Officer British Recruiting Mission, Western Division, for the recruiting of British and Canadian subjects in the United States. Col. Dennis is stationed in Chicago at the present time.

there are only
two things which the referee or third
party can say—either "Take your
corners" or "Bless you, my children."

Colonel Deprise says that there are

peals by mail and an advertising and party can say—either "Take your corners" or "Bless you, my children."

1 said neither. But I held my breath, for it was an impressive moment, the formal enactment in Chicago of immortal history; the physical union of the fighting strength of two great nations. And the spirit of patriotic co-operation in the common cause of justice sanctified the alliance.

Colonel Dennis and Says that there are 157.000 Canadians in Chicago. Callegary, with a total population of 60, ode, sent 16,000 soldiers to the front. What then might Chicago yield. There are about 350,000 British subjects here, and some sixty-five St. George and Maple Leaf societies. There is no shortage of material berabout for the British recruiting mission.

At every one of the dozens of scattered stations under Captain Kenney's command volunteers of Canadian Kenney's command volunteers of Canadian recruiting mission.

At every one of the dozens of scattered stations under Captain Kenney's command volunteers of Canadian for the expeditionary forces of the Dominion; at every headquarters over which Colonel Dennis has control volunteers of American allegiance are being taken for our own National Army.

Captain Kenney is credited with being a bit of a bearcat on the science of recruiting. But he was immensely impressed with the policies and ideae expressed by the disting guished Cenadian men of war.

The soild week of Fritish raliging here will show some firevorks this trative of the suffit that created and immortalized Canada's first 100,000 A kilite band will whoop it up there will be mase meetings and moondatory and thousands of direct appoint of the soil week of Fritish raliging here will be mase meetings and moondatory and thousands of direct appoint of the soil week of Fritish raliging here will show some firevorks this rative of the suffit had the progress; but he is more—he is a dilettante journalist, a devotee of art, a racquarters in the Marquette building and his residence at the Black. oratory and thousands of direct ap Jack Lait.

Digby

Mr. and Mrs. A. G. Viets, of Mont real, are visiting in Digby Miss Eva Annis, of Bear spent the week end in Digby.

Mrs. A. B. Higgins, of Dartmouth, N. S., is the guest of her parents, Mr. and Mrs. Jonathan Letteney. Miss Minn'e Sproule, who has been

NOT ENOUGH CHILDREN

ever receive the proper balance of food to sufficiently nourish both body and brain during the growing period when nature's demands are greater than in mature life. This is shown in so many pale faces, lean bodies, frequent colds, and lack of ambition.

and lack of ambition.

For all such children we say with unmistakable earnestness: They need Scott's Emulsion, and need it now. It possesses in concentrated form the very food elements to enrich their blood. It changes weakness to strength; it makes them sturdy and strong and active.
