#### ANNUAL "AT HOME"

Postponed from Thursday on account of the storm, the annual "At Home" of the Rector and Congregation of St. Mary's Church, Belleisle, was held in Belleisle Hall, last Friday evening and, as usual, was an unqualified success.

The supper tables, laden as Belleisle ladies know how to laden them, presented a very attractive appearance to old and young alike, quantity and quality vying for precedence.

At the close of the programme proper congratulatory speeches were made by the Bridgetown visitors; and then a delightful evening was brought to a close by the singing of the National Anthem.

As noted above the "At Home" was planned for Thursday evening but was postponed until Friday on account of the storm, and as this was made possible by the postponement of another meeting arranged by the Directors of the Belleisle Fruit Company who kindly made way for the "At Home", the Rector and congregation of St. Mary's wish to express their keen appreciation of this kind courtesy.

**BRIDGETOWN FATHERS AND SONS BANQUET**  
The second annual banquet of Fathers and Sons of Bridgetown will be held in the school room of Gordon Providence Church, Thursday evening, February 9th, beginning at 6.15 o'clock. Table room has been prepared for one hundred and sixty guests and seats have been divided between the various churches of the town and invitations will be given through the Taxis boys, pastors, and committees.

A special feature of this year's banquet will be the presence of Mr. Taylor Statton, of Toronto, Executive Secretary of National Boys' Work Council of Canada, and Mr. A. G. Gregg, Maritime Secretary of Boys' Work of St. John, N.B., both gentlemen will speak of Boys' Work and organization at the banquet.

**G. W. V. A. NOTES**  
The monthly meeting of the Bridgetown Branch of the G.W.V.A. was held on Wednesday evening, February 1st, in the Board of Trade rooms, Comrade W. E. Gesner in the Chair.

### Local Happenings

Make your plans to attend the Taxis Boys' Debate at Middleton Thursday evening, February 16th. Be sure and go and support the Bridgetown boys.

Middleton hockey team defeated a Bridgetown team Thursday evening in the Middleton rink. The ice was heavy and the hockey played not as fast as the players were capable of putting up.

The first quarterly session of the Grand Division S. O. T. met at Smith's Cove, Digby County, yesterday. Reports from all departments were of a very encouraging nature and a gain in membership was reported.

The fourth and last of the series of social gatherings under the auspices of St. James' Church Bible Class, arranged for this season, will be held in their school room this (Wednesday) evening from 8 to 10 o'clock.

A fancy dress Carnival will be held in the Middleton rink on Tuesday, February 14th. Four cash prizes for Valentine and fancy costumes. Hot refreshments served in the rink by the L.O.D.E. See notice in another column.

We wish to call attention to the annual meeting of the Bridgetown Board of Trade to be held in their rooms, on Tuesday evening, February 14th, at eight o'clock, a notice of the same appearing in another column. A full attendance of members requested.

It is hoped that a large number of citizens will plan to go to Middleton Thursday, February 16th, to support the boys in the Inter-town Taxis debate. If the roads are good a delightful party will be arranged by the Boys' Work Board. If not, the mid-night train will leave Middleton at 2.30 o'clock Friday morning.

The Lawrenceville Dramatic Club will present "The Country Doctor" at the Primrose Theatre on Monday evening, February 13th. A very laughable play, full of comedy. Orchestra in attendance. Vaudeville between each act. Admission 50c. and 35c., including tax. Proceeds for the benefit of the Bridgetown Athletic Association.

It was unanimously passed at the last session of the Bridgetown Town Council held at the Council chamber on the evening of Friday, February 3rd, that the Council expressed their deepest regrets in the loss sustained in the sudden demise of our highly respected and honored citizen, O. S. Dunham, the late Editor of the Bridgetown Weekly Monitor.

**YOUNG HUSBAND CAUSES TROUBLE BY TOO MUCH TRUST IN PRETTY WIFE**  
She Thought His Love Was Gone Because He Did Not Act Curious About Absence.

Supreme trust is regarded as being the greatest proof of true love, but it is apt to cause mischief if it is persisted in too far. A prominent lawyer in New York tells a story of a woman who came to him seeking a separation from her husband, to whom she had been wed less than a year. Knowing that she had almost divorced her husband at the time of the marriage the lawyer inquired carefully into the reasons.

"I love him more than ever," said the young wife, sobbing, "but he cares nothing for me. He is interested in nothing I do. Last night I stayed over at a friend's house until nearly midnight. Just to see if he didn't care a little bit, and when I came in he never even asked me where I had been."

The lawyer was also personally acquainted with the husband, and decided to risk a snub by asking him the trouble.

"I have been worried about her," admitted the husband. "She has been away so much, but if I asked her where she had been it might make her think I did not absolutely trust her."

The lawyer re-visited a loving couple by advising the husband to go home and give his wife a scolding for her unexplained absences. Bob Milton, a young artist, loved Inga Sundersen, a model, so much that he does not believe he is worthy of her. But his trust was not sufficient to encompass the fact that he saw her entering a man's apartment, with her arms around the man himself, in the early hours of a morning.

The reason for this situation, with the events being up to it and how Inga and Bob both found happiness, is the story told by Norma Talmadge in "The Woman Gives," which will be the attraction at the Primrose Theatre, beginning Monday, February 13th and Tuesday, February 14th.

Our fame spreads. A Boston House Organ publishes poetry and the poet calls himself "The Bard of Avon Street."

Reserve Monday evening, February 13th, and see "The Country Doctor" at the Primrose Theatre. Advance sale of seats at W. H. Maxwell's.
