

Are You Sick or in Bad Health?

PROF. ZIMMER

No. 10 Abbott Street, Vancouver, B.C. is now daily receiving from the East and other parts of the globe consignments of ROOTS AND HERBS, specially selected for him, for the purification of the human blood and the restoration of deranged systems. The fall and winter season is now upon us. It is the period when the strongest and stoutest of systems are severely tested. The hundreds of testimonials now in possession of the Professor attest the efficiency of his herbs as healers and health restorers. The heads discovered in the vicinity of this city a few months ago have stayed, in the most efficient manner, the ravages of consumption, as well as relieving those threatened with Asthma and Dyspepsia. Correspondence solicited. Remember the address, No. 10 Abbott Street, Vancouver, B.C.
