"The Best" INCUBATORS

GOLD MEDAL AWARDED. The Highest Award Given

These Incubators have been thoroughly tested and proved to be what we claim. They are not a cheaply gotten-up machine, but the aim throughout has been to get up the BEST incubators and brooders ever put on the market. We have spared no expense whatever to make "THE BEST" the best in construction and application as well as in name. We furnish only the very best thermometers, which are well seasoned, tested, and guaranteed correct.

Some of the excellent points about "THE BEST."

1. Absence of moisture pans.
2. Diffusive ventilation and no stagnant air.
3. Nursery for the little chicks.
4. Proper application and immediate control of the temperature.
5. Absolutely fire-proof.
6. Perfectly self-regulating.
7. Uniformity of temperature all over egg tray.
8. Small consumption of oil, thereby saving you enough in a few years to pay for the machine.
9. The moderate price we ask for it.
10. It is made in Canada by a Canadian.

50 Eggs "Ideal" \$6.50. 100 "The Best" \$13.60. 200 "The Best" \$19.12.
