### NEW YORK.

Sales of comb honey the past two months exceeds largely sales of corresponding period of last year. The large stock in dealer's hands is becoming less every day, and the present outlook is that all the better grades will be closed out before the new crop arrives. There is quite a large stock of dark and off grades of white, which we apprehend will be carried over. Prices are ruling low, we quote:—White comb, 9 to 12c.; dark comb, 5 to 7c.; California extracted, 5 to 6c.; California comb, 8 to 9c.; beeswax, 23 to 24½c. We beg to inform you that we have removed our place of business to 28 and 30 West Broadway, near Duane St., where we have better facilities for handling honey.
