CANADA vs. THE WORLD.
READER, If you inquire of any person or persons who have ever visited C. S. Powers' Newcastle Marble Works, or purchased Marble from any of his numerous Agents in Canada West, they will tell you that this is positively the **LARGEST, BEST and CHEAPEST** Establishment of the kind in the Province, and not inferior to any in British North America. His Marble, which he imports direct from the native Quarries, is of a very superior quality, and comprises every variety of European and American Marble in demand in this Country, and as he employs none but first class Sculptors in its manufacture, his work is pre-eminently distinguished for originality and beauty of design, and skill in execution. He is now constantly manufacturing to order:
Monuments, Obelisks, Tomb-tables, Head-stones, Ornamental Inclosures, Mantle Pieces, & Marble Furniture,
of every description, at prices which cannot fail to secure the Patronage of a large portion of the Canadian public. If you wish to save your money, do not order work from any other House, without previously ascertaining his prices, which will, upon application, be furnished to any intending purchaser free of charge. Orders sent by mail should be post-paid and addressed,
C. S. POWERS'

"Marble Works," Newcastle, C. W.
N. B.—Any responsible person wishing to act as Local Agent for this establishment, will, by forwarding his address, be supplied with a schedule of prices; and a liberal percentage allowed him for his trouble in receiving orders. There are many persons in Canada West thus employed, who without materially interfering with their other engagements, are making \$10 to \$15 per week as commission upon such sales.

Protection from Lightning,
BY SPRATT'S PATENT.
LIGHTNING RODS manufactured by E. V. Wilson & H. Piper & Brother, 50 Yonge Street, Toronto, are the only authorized agents for the sale of these valuable rods in the Canada. Manufacturers of the rods, wholesale and retail, at No. 50, Yonge Street, Toronto.
CAUTION.—Allow no man to protect your buildings without first examining the points of his rods, and if they have not the Flatiron Wire in the point, they are not genuine. The coating of them is of a composition metal that never rusts, retaining its brightness for years. The metal is soft and easily cut with a knife, yet sufficiently hard not to melt under the influence of electric fluids. Look out for rods manufactured at St. George, C. W., they purport to be Spratt's points and rods but are not. The points are made of steel, highly polished, but will become coated with rust after the first night's exposure to the atmosphere, consequently rendering them useless. Always ask for the Agent's Certificate of right to sell, and be sure to stamp the stamp—SPRATT'S IMPROVED POINT—on the points near the base.
Notice.—No Policy of Insurance covers losses by Lightning unless turned down or set on fire.

THE "CANADIAN SON OF TEMPERANCE AND LITERARY GEM," is devoted to the interests of the Order of the Sons—to temperance generally—to agriculture and the interests of farmers—to the advancement of Canadian Literature and Science—and to general and political news. The effort of the Publisher and Editor will continue to be to make an eminently a home and family paper, filled with it choice variety of reading matter. Our terms for 1854 are as follows:—
Single Subscribers, sent by mail, or delivered in the city, in advance, or within January, 6s. 3d. cy.
At the end of three months, 7s. 6d. cy.; at six months, 8s. 9d. cy.; at the end of the year 1854, 10s. cy. These sums will be considered as due and collectable at the end of these respective periods.
Half-yearly Subscribers 3s. 9d. cy., in advance, and \$1.00 in full at the end of the six months.
To Agents, Friends and Clubs, we offer these inducements:—
To agents whose names have stood upon our Books in 1853, in declining to act as such in 1854, 5s., cy., in advance, will be charged.
To old agents, collecting from old or new Subscribers in 1854, \$10— or sending five entirely new names, sending the money to us during the year, at regular prices, a copy will be sent gratis.
To any old Subscriber sending two new Subscribers, at regular prices, 5s. only.
Ten copies of this paper will be sent to one address for \$10. Twenty copies to one address for \$18. In such cases it must be distinctly understood that the papers will be done up in one package, and addressed to but one person, or Division—and that these sums must be paid in advance, or within January—otherwise the usual credit charge will be made against the person or division ordering them.
Any one sending ten new subscribers, at usual prices of 6s. 3d. each, in advance, may deduct out of the money collected 15 per cent, and so for any greater number. The Proprietor, however, gives notice that he will not be answerable for the receipts of, and payments to agents, travelling or otherwise, whose names do not appear regularly as such in this paper. Subscribers, before paying self-constituted agents, should see that they are persons of character or property.
The "SON & GEM" will be regularly issued weekly, on Friday afternoons—dated and mailed on Saturday, so that most, if not all of our Subscribers will receive the same in Canada East and West by Saturday evening.
Advertisements will be inserted upon moderate terms.
All Postages must be paid by Subscribers and Contributors.
Address Mr. C. DURAND, Editor and Proprietor—Son & Gem Office, Toronto C. W.
