NEWS FROM ROCKFORD, ILLINOIS.—The devout brother Richards, of Rockford, state of Illinois, in an epistle received to-day (March 17th) says—

“We are now blessed with a comfortable Meeting House for the worship of God, and we are blessed with a small society of warm hearted brothers and sisters, and as a general rule we are all united, striving to walk in the way of our Lord and Master. We are now holding a continued meeting. Brother J. J. Moss and brother L. J. Correll are our speakers.”

Our brother also speaks of a company of brethren in Iowa who are “making an effort to reform the reformers,” and adds, “I am firm in the belief they are improving.” This is all good news to us. Heaven will most assuredly bless every brother or sister who labors diligently to reform what needs reforming.
