## From Other Publishers

We supply at publishers' prices everything that Sabbath Schools may require, by whomsoever published. The following may be specially noted:

CARSON'S PRIMARY CATECHISM—well adapted for the instruction of the very young children; COLORED LESSON PICTURE ROLL for infant classes; and, corresponding with the colored roll, COLORED LESSON PICTURE CARDS for the little ones. We keep on hand also a few editions specially suitable for Sabbath School use, of the PRESBYTERIAN BOOK

OF PRAISE, separate from and bound up with the OXFORD BIBLES, also the OXFORD TEACHERS' BIBLES and THE OXFORD HELPS to the study of the Bible. Our subscribers, who live far from book stores have in this way every advantage in purchasing beautiful and serviceable books. **For Price List in detail, see page 4.**

## Diplomas

The General Assembly, through its Sabbath School Committee, offers a beautiful Diploma, 12 by 14 $\frac{3}{4}$  inches in size, and lithographed in three colors; suitable for framing, to any Sabbath School scholar repeating the Shorter Catechism at one continuous sitting; and a Diploma of the same size, quite as attractive, to those memorizing the Scripture Memory Passages. A smaller, but equally pretty Certificate, is given to Primary scholars for the memorizing of shorter portions of Scripture. The certification, in all cases, must be made by the minister or superintendent. *All correspondence regarding the Diplomas should be addressed to REV. JOHN McEWEN, 19 LOWTHER AVENUE, TORONTO.*
