

WINCHESTER

.30 CALIBER BIG-GAME RIFLES

The rifles that experienced hunters are so enthusiastic about for big-game shooting are the Winchester Model 1895, the only sporting rifle made that shoots the powerful .30 Army cartridge; and the Model 1894 ".30 Winchester" caliber. These rifles shoot smokeless powder cartridges of the most modern, high-power type, and when used with soft-nosed bullets, have as much shocking, smashing and killing power as the .45 caliber. Winchester ammunition is made for all kinds of rifles, shotguns, revolvers and pistols.
