**CAMPBELL'S
 TONIC
 ELIXIR**

This agreeable yet potent prepara-
 tion is especially adapted for the relief
 and cure of that class of disorders
 attendant upon a low or reduced state
 of the system, and usually accompanied
 by Pallor, Weakness and Palpitation
 of the Heart. Prompt results will
 follow its use in cases of Sudden Ex-
 haustion arising from Loss of Blood,
 Acute or Chronic Diseases, and in the
 weakness that invariably accompan-
 ies the recovery from Wasting Fevers.
 No remedy will give more speedy relief
 in Dyspepsia or Indigestion, its action
 on the stomach being that of a gentle
 and harmless tonic, exciting the organs
 of digestion to action, and thus affor-
 ding immediate and permanent relief.
 The carminative properties of the dif-
 ferent aromatics which the Elixir con-
 tains render it useful in Flatulent Dyspepsia.
 It is a valuable remedy for Atonic
 Dyspepsia, which is apt to occur in
 persons of a gouty character.

For Impoverished Blood, Loss of
 Appetite, Dependancy, and in all cases
 where an effective and certain stimu-
 lant is required, the Elixir will be
 found invaluable.

In Fevers of a Malarial Type, and
 the various evil results following expo-
 sure to the cold or wet weather, it will
 prove a valuable restorative, as the
 combination of Cinchona Calisaya and
 Serpentina are universally recognized
 as specifics for the above-named disor-
 ders.

Sold by all Dealers in Family Medicines.
 Price, \$1 per Bottle, or
 Six Bottles for \$5.

 SOLE AGENTS,

NATIONAL PILLS are sugar-coated,
 mild but thorough, and are the best Stom-
 ach and Liver Pill in use.

Scientific and Useful.

To blacken a stove easily, shave a little
 soap into the polish, and moisten with boiling
 water. A little turpentine added is an im-
 provement.

LOVELY little waste-paper baskets can be
 made out of old fishing-hats stiffened with
 a coat of copal varnish, and held in the centre
 by a twist and bow of yellow and garnet satin
 ribbon. This inside may be lined or not, as
 fancy dictates.

A SECRET FOR THE LADIES.—The great
 secret of beauty is pure blood. Eruptions
 and all blotches that disfigure the face may
 be quickly cured by Burdock Blood Bitters.
 Annie Heath, of Portland, certifies that she
 was cured by this remedy, after suffering for
 two years.

TO MAKE CALICOES WASH WELL.—In-
 fuse three gills of salt in four quarts of boiling
 water and put the calicoes in while hot, and
 leave them till cold. In this way the colours
 are rendered permanent and will not fade by
 subsequent washings.

PEA SOUP.—Soak a quart of split peas
 over night; wash them from the water, and
 boil with four quarts of soup stock, onions,
 carrots, celery and turnips; season with salt
 and pepper. Stir frequently or it will burn.
 Strain and serve with toasted bread.

JAMES PYLE'S PEARLINE is the very best
 assistant for washing or bleaching, no matter
 whether by use of cold or hot water. As a
 labour-saving article it deserves especial
 mention.

FRUIT JUMBLES.—Three-quarters of a
 pound of butter, one pound of sugar, five
 eggs, one teacupful of milk, one teaspoonful
 of soda, one and one-quarter pounds of flour,
 one-quarter of a pound of currants. Drop
 them on tins with a spoon, and bake in a
 quick oven.

CHOCOLATE MACAROONS.—Three-qua-
 rters of a pound of blanched almonds, one
 pound of powdered sugar, one-quarter of a
 pound of grated chocolate, the whites of
 three eggs beaten to a froth; mix all together
 to stiff paste; drop them on a sheet of white
 paper on a pan, and bake in a moderate
 oven.

SORE THROAT.—The best cure we know
 of for sore throat is a gargle of Pain-Killer
 and water—it acts like magic.

PRESSED CHICKEN.—The chicken should
 be nicely jointed, and put into a kettle with
 just enough water to cover. Cool until the
 meat will slip from the bone. When done,
 take out all the bones. Spread a napkin over
 a cake tin, and lay in the pieces of meat, al-
 ternating the dark and white meat. Fold
 the cloth over the top, and place over it
 another pan, which will fit in to press upon
 the chicken. Place a heavy weight on the
 pan and let it stand until cold.

OYSTER FRITTERS.—Make a batter as for
 ordinary fritters, except in place of all milk
 for the wetting use half oyster liquor. Have
 the batter thick enough not to spread on the
 fat when cooking, but not so thick as to be
 tough. Nice beef drippings or suet are best
 to cook the fritters in, and there should be
 only enough so they will slip around but not
 float. When the batter is ready, take up
 one tablespoonful at a time, put an oyster in
 the spoon and have the fat sissing hot.

WORTH REMEMBERING.—There is prob-
 ably no better relaxing remedy for stiff
 joints, contracted cords, and painful conges-
 tion, than Hagyard's Yellow Oil. It cured
 Mrs. John Siddell, of Orton, Ont., who was
 for years afflicted with contraction of the
 bronchial pipes and tightness of the chest. It
 is the great remedy for internal or external
 pain.

BEEF ROLLS.—Have the beef cut from the
 round as thin as it can possibly be and hold
 together. Then cut the steaks in pieces
 three or four inches wide and a little longer.
 Cut some thin slices of bread a little smaller
 than the pieces of meat, remove the crust
 and lay on the meat. Add to this a tiny
 slice of onion thin as a wafer, sprinkle with
 salt and pepper and flavour with any herb
 that is liked, only be careful to use it spar-
 ingly. When all are ready, roll each piece
 tightly, and tie with a string. They should
 look like sausage. Lay them in a porcelain
 kettle and pour some thin stock over them—
 just enough to cover them. The kettle must
 be covered and kept where the contents will
 just simmer, for five hours. Then remove
 the rolls to a hot dish and thicken the gravy;
 colour it with a little caramel and pour it
 over the rolls.

Consumption can be Cured.
 Not by any secret remedy, but by proper, healthful
 exercise and the judicious use of Scott's Emulsion of
 Cod Liver Oil and Hypophosphites, containing the
 healing and strength-giving virtues of these two val-
 uable specifics in their fullest form. Prescribed uni-
 versally by Physicians. Take no other.

THEY SAY

"LOVE LAUGHS AT LOCKSMITHS,"

And we all know that a Million
 Combination Lock won't keep
 the average small boy in the
 house if there happens to be a
 Circus in town, or a favourable
 opportunity presents itself for
 fixing a tin pot attachment
 to an orphan dog's tail; but
 only give him one of the LI-
 QUOR TEA CO.'S attractive Boy's
 Books, and the enthusiastic way
 in which he will whistle "Home,
 Sweet Home," and stay there
 to, is surprising.

CONSUMPTION,

which is Scrofulous Disease of the
 Lungs, is promptly and certainly arrested
 and cured by this God-given remedy, if taken
 before the last stages of the disease are reached.
 From its wonderful power over this terribly
 fatal disease, when first offering this now ce-
 lebrated remedy to the public, Dr. PIERCE
 thought seriously of calling it his "Con-
 sumption Cure," but abandoned that name
 as too limited for a medicine which, from its
 wonderful combination of tonic, or strength-
 ening, alterative, or blood-cleansing, anti-bilious,
 pectoral, and nutritive properties, is unequalled,
 not only as a remedy for consumption of the
 lungs, but for all
