"ST. AUGUSTINE" Sacramental Wine.

The REV. DR. COCHRANE writes - BRANTFORD, May 23rd, 1895.

Messrs. J. S. Hamilton & Co. GENTLEMEN.-The St. Augustine Wine used in my own church on sacramental occasions, as well as in many other churches, I have always heard spoken of in the highest terms and is admirably suited for the purpose. Its deservedly high reputation for purity can be relied upon. The unfermented grape juice also commends itself to those who prefer that the wine should not be fermented and should have a taste and increasing sale in our Presbyterian and other Churches.

LIFE ON A FARM.

ONE OF HARDSHIP AND CONSTANT EXPOSURE.

Frequently the Most Rugged Constitutions are Broken Down—A Prominent Farmer Tells of the Wonderful Recuperative Powers of a Famous Medicine.

From the Assiniboian, Saltcoats, N.W.T.

Everybody around Yorkton knows Mr. Dan Garry, and what a pushing active business farmer he was until la grippe took hold of him, and when that enemy left him, how listless and unfitted for hard toil he became. For months he suffered from the baneful after effects of the trouble, and although he still endeavored to take his share of the farm work, he found that it was very trying; he had become greatly weakened, had lost both appetite and ambition, and was tired with the least exertion. He tried several remedies without deriving any benefit, and as one after the other had failed, he determined to give Dr. Williams' Pink Pills a trial. He felt so utterly worn out that several boxes of the pills were taken before he found any benefit, but with

the first signs of improvement he took fresh courage, and continued taking the pills for three months, by the end of which time he was again an active bustling man, feeling better than he had for years. Mr. Garry tells his own story in the following letter to the Assiniboian:—

"Dear Sir,—After a severe attack of la grippe I was unable to recover my former strength and activity. I had no ambition for either work or pleasure, and to use a popular phrase, 'did not care whether school kept or not.' I tried various medicines without deriving any benefit from them. With not much hope I decided to try Dr. Williams' Pink Pills, and was agreeably pleased to find, after a few boxes, a decided change for the better. My appetite, which had failed me, returned, and I began to look for my meals half an hour before time, and I was able to get around with my old time vim. I continued the use of the Pink Pills for three months, and find myself now better than ever. You may therefore depend upon it that from this out I will be found among the thousands of other enthusiastic admirers of Dr. Williams' wonderful health restoring medicine.

"Yours gratefully, "DAN GARRY."

Mr. Williams' Pink Pills strike at the root of the disease, driving it from the system and restoring the patient to health and strength. In cases of paralysis, spinal troubles, locomotor ataxia, sciatica, rheumatism, erysipelas, scrofulous troubles, etc., these pills are superior to all other treatment. They are also a specific for the troubles which make the lives of so many women a burden, and speedily restore the rich glow of health to pale and sallow cheeks. Men broken down by overwork, worry or excesses, will find in Pink Pills a certain cure. Sold by all dealers or sent by mail, post paid, at 50c a box, or six boxes for \$2.50, by addressing the Dr. Williams' Medicine Company, Brockville, Ont. Beware of imitations and substitutes alleged to be "just as good."

"THE COMMON PEOPLE,"

As Abraham Lincoln called them, do not care to argue about their ailments. What they want is a medicine that will cure them. The simple, honest statement, "I know that Hood's Sarsaparilla cured me," is the best argument in favor of this medicine, and this is what many thousands voluntarily say.

Hood's Pills are the best after-dinner pills, assist digestion, cure headache. 25c.
