

## RAFFLE FOR THE CHURCH OF CHELSEA.

PLEASE HELP US TO FINISH OUR CHURCH.

Our friends, who would give or obtain throws on any of the articles mentioned in the list, would oblige us very much. Our church is new but unplastered, and it is so very cold in winter as to render divine service practically impossible; hence we are compelled to make supreme efforts to have it plastered this summer. The drawing will take place at the end of June. In our June number of *THE VOICE* we will precise the date. If friends, in whom we trust, receive lists sent by us they will not be surprised.
