

CONVOCATION NOTES.

ANOTHER session has reached its close; another convocation has been held; another class has graduated, and again we repeat "the best in its history." Convocation was held in St. Matthew's Church and a large audience was in attendance, representatives being present from all parts of the Maritime Provinces. Professors, students, relatives and friends assembled to look for the last time upon the graduates of '97 as a class. Its members have now passed beyond the college walls and are henceforth to be elders, feeding and taking oversight of the flock of God.

* * * * *

THE graduating class in many respects has never been surpassed. In point of numbers it is the largest in the history of the college, including fourteen members. The standard of scholarship is high—five have obtained the degree of B. D., eight hold the degree of M. A., and two that of B. A. Evidently our presbyteries know the value of these men as they have already secured their services. All remain in Nova Scotia and New Brunswick. The names of the graduates are as follows: A. D. Archibald, M. A., A. H. Foster, M. A., B. D., D. A. Frame, M. A., A. L. Fraser, B. A., B. D., E. W. Johnson, B. A., G. F. Johnson, B. A., B. D., C. D. McIntosh, M. A., John McIntosh, M. A., B. D., L. H. McLean, M. A., W. W. McNairn, M. A., Robert Murray, Edwin Smith, B. A., R. G. Strathie, M. A., B. D., and Archibald Williamson.

DR. CURRIE presented the report of the Senate. He spoke of the general good health of the professors and students, and of the high order of work they had been enabled to accomplish. The college societies supplemented the work done in the classroom. These meetings dealt with the practical issues of ministerial work, and the debates were participated in by both students and professors. Two bequests have been left to the
